Henry W.Lane - The Blackwell Handbook of Global Management Download, Covers topical issues such as managing virtual teams and globalization.

Henry W.Lane The Blackwell Handbook of Global Management ...

This is the first handbook to provide an overview of the major research perspectives in cross-cultural management and to look at how they can be applied to real-world situations. The volume is distinctive in bringing together perspectives previously considered independently, placing the work of management experts alongside contributions from leading cross-cultural psychologists, sociologists and economists.
