Rendezvous With A Habit is the first novel by Michael Harte De Jesus, and introduces Mickey Dunn, sports journalist from Chicago who has come to California in mid-life for a lifestyle change. Set on the Central Coast in the Five Cities area, it is a story of erotic love, mystery, suspense, and revenge revolving around the world of crystal meth addiction and the business of crank manufacture and sale. When Mick's girlfriend of a few months, Shana Deckhardt, is sent into coma due to an overdose on speed. Mick is arrested for trafficking and conspiracy to commit murder, though he is innocent. Physically fit, with both combat and competitive amateur wrestling experience, he is recruited by a regional task force to clear his name, avenge the assault on Shana's life, and break up one of the biggest

meth rings ever. Along the way, he meets the beautiful ex-crank addict Marlene Magnuson, who proves invaluable to Mick, and the task force. Co-dependency, the search for self-identity, midlife crisis, and serving the Greater Good are all underlying themes as the protagonist seeks revenge and balance in his love life. There is plenty of romance, action, and introspective soul searching as Mickey Dunn is at the center of a murder conspiracy to eradicate a young woman who has a Rendezvous With A Habit.

The Year's Work in Lebowski Studies contains neither arid analyses nor lectures for the late-night crowd, but new ways of thinking and writing about film culture.

Doctor Attitude makes a huge

Dean's motto. The sexy physician likes
his women with sensual moxie, and
Libby Preston definitely seems to fit
that bill. There's that naughty grin.
That hot bod. Her eager kisses and

cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body.

Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Over the past ten years there has been a massive growth in call centres worldwide. These centres are said to represent the most dynamic growth area in white-collar employment internationally since the mid 1990s. Yet the footloose and global nature of the industry means that jobs will always be susceptible to outsourced operations, ICT developments, public sector subsidization of business restructuring and re-location, and

cheaper operations elsewhere. This book conducts a thorough analysis of this modern phenomenon.

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.
