The Hyundai i40 has a great reputation in the trade for being a solid, dependable car with few inherent problems. In fact, it's one of the models that has recently helped forge Hyundai's overall reputation as a safe bet. The brand's five-year warranty hasn't hurt it in that regard, either.. In terms of Hyundai i40 diesel engine problems, the news is good.

Hyundai i40 Problems & Reliability Issues | CarsGuide

As pointed out by Bhpian Malludude it is the older 1.5L 3-cylinder diesel engine from Hyundai which had problems. Although there are few examples I know of the Accent Viva CRDi which have done well over 1.5L kms. I haven't heard of any problems with the 1.4L/1.6L CRDi engines doing the duty on Verna/i20.
