Research shows that vocabulary is the best support for students' comprehension of narrative and information texts. Often, vocabulary instruction focuses on a few target words in specific texts. However, to understand the many new words in complex texts students need to know how words work. This book, written by an award-winning authority on reading instruction, shows teachers how to make small changes to teach more words and also how words work. Many of these small changes involve enrichments to existing vocabulary practices, such as word walls and conversations with students. Each chapter includes descriptions of teachers' implementation of small changes to support big gains in students' vocabulary. This book, which has sufficient depth in research and theory for graduate and undergraduate courses in vocabulary instruction, also offers practical steps that K-8 teachers can use in any reading program to help all students grow their vocabulary. Teaching Words and How They Work shows teachers how to: Identify the most important word families to teach. Teach students to use opening text as background knowledge for comprehending the rest of the text. Use word walls with more purpose and greater student engagement. Select the right words to teach from new information texts. Better understand limitations of leveled texts and how to adjust. Use assets and address challenges to support English learners. Access free mentor and teacher resources online at textproject.org.

A colorful, engaging, FUN language arts workbook that gives fourth graders important vocabulary-building practice. Continuing the successful Scholastic "100 Words" line of exciting new language arts workbooks, this product focuses on 100 essential words kids need to know by 4th grade. Colorful art and photographs illustrate the 256 pages of lively activities, including reading and writing practice, comprehension, critical thinking exercises and word puzzles. Includes special dictionary pages and dictionary skill tips and colorful bookmarks with vocabulary-building tips.

Cam Jansen can find a mystery anywhere, even in the school lunch room! When Jason opens his lunch box and finds only cookie crumbs, Cam's amazing memory clicks into action.

This engaging workbook will help your elementary school students build essential vocabulary skills This book will strengthen the vocabulary of your third, fourth, or fifth grader. It will strengthen their vocabulary and encourage them to use their new word skills to excel in their classwork and on standardized tests. The book's lessons focus on a particular subject and include 10 or more vocabulary words related to that topic. Each vocabulary list includes definitions and example sentences. Fun, puzzle-format worksheets accompany each lesson and keep students motivated to learn. Here they can practice the vocabulary they find challenging, polish skills they've mastered, and develop their strengths. With this book to guide them, students will learn how to: Apply vocabulary rules Understand meaning and usage Differentiate among synonyms, antonyms, homophones, prefixes, and suffixes Conquer compound words and easily confused words Vocabulary Grades 3-5 includes: Vocabulary specific to the needs of students from grades 3-5 More than 500 essential vocabulary words 45 lessons, each featuring a special topic, a vocabulary list of at least 10 words with definitions and example sentences, followed by vocabulary-building worksheets. An alphabetical word list at the end of the book makes looking up vocabulary easy An answer key for easy correcting
