Tenth grade or grade 10 (called Year 11 in England and Wales, and sophomore year in the US) is the tenth year of school post-kindergarten or the tenth year after the first introductory year upon entering compulsory schooling. In many parts of the world, the students are 15–16 years of age, depending on when their birthday occurs. The variants of 10th grade in various countries are described ...

## ~~Tenth grade — Wikipedia~~

Starting 11th grade is sometimes a stressful time for students. Whereas 9th and 10th grade were times of transition and hitting your stride, 11th grade is often when high school really kicks into high gear. There's not much time left for experimenting with different activities or finding the right course load.
