Seminar paper from the year 2004 in the subject American Studies - Literature, grade: 1,0, University of Freiburg (English Department), course: 20th Century American Drama, 15 entries in the bibliography, language: English, comment: Good paper: to the point, strong in argument and well researched. Can't ask for more. Form: very good English, citations etc., abstract: This paper investigates the opera adaptation of Tennessee Williams' play A Streetcar Named Desire by Andre Previn. Particular attention is going to be paid to the relation between the original play and the changes made in the opera or caused by the change of genre. Naturally an adaptation of a play into an opera necessitates a shortening of the original text to turn it into an opera libretto. The music added to the play may also change its atmosphere, mood - it might even be an interpretation which is not contained in the play to that extent. Thus this paper follows up on these possible differences and examines whether Andre Previn succeeded in writing an opera A Streetcar Named Desire meeting the high expectations caused by the popularity of the play."

The Pulitzer Prize and Drama Critics Circle Award winning play. A Streetcar Named Desire is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski. Fading southern belle Blanche DuBois is adrift in the modern world. When she arrives to stay with her sister Stella in a crowded, boisterous corner of New Orleans, her delusions of grandeur bring her into conflict with Stella's crude, brutish husband Stanley Kowalski. Eventually their violent collision course causes Blanche's fragile sense of identity to crumble, threatening to destroy her sanity and her one chance of happiness.

The dean of Broadway musical directors examines the dynamics of how the book, music and lyrics work together to create such hits as My Fair Lady, Fiddler on the Roof, Guys and Dolls, Hair, Pal Joey, West Side Story, Company, South Pacific, Threepenny Opera and Porgy and Bess. Howard Kissel, chief theater critic for the New York Daily News, extends the reach of Engel's subjects by bringing them up to date with commentary on such shows as A Chorus Line, Nine, Sunday in the Park with George, Rent, Working and Falsettos. Kissel offers a thoughtful history on how musical theater has evolved in the three decades since Engel wrote Words with Music (1972) and how Engel's classic work remains vital and illuminating today.

Major composers including Mozart, Wagner, Verdi, Puccini, and Strauss * Legendary singers from the great divas to the Three Tenors * What to look for and listen to at the opera * The history of opera and why it endures * Stylistic variations and basic theoretical underpinnings * Appreciating the art form * Biographies of the opera's greatest artists * A survey of classic operas

This film score handbook provides a detailed analysis of Alex North's astounding score for Elia Kazan's 1951 adaptation of A Streetcar Named Desire. Beginning with a review of North's musical training and film scoring techniques, the book then uses approaches from both musicology and film studies to present a comprehensive exploration of the film's (self-)censorship and its impact on North's music, most notably in the film's infamous staircase scene.

(Vocal Collection). The G. Schirmer Opera Anthology series revolutionized opera aria study after its release in 1991. There are so many wonderful soprano arias that a second volume was warranted. The music is predominantly for lyric soprano. As in the original volumes, these are new, clean editions, with historical and plot information about each of the 32 arias included.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Tired of Tannhuser? Bored with Bohme? Then open your imagination to the unexpected pleasures of American opera. With this generous, accessible overview, Elise K. Kirk provides a lively history of one of America's liveliest arts. A treasure trove of information on a substantial, heretofore neglected repertoire, American

Where To Download A Streetcar Named Desire Libretto

Opera sketches musical traits and provides plot summaries, descriptions of sets and stagings, and biographical details on performers, composers, and librettists for more than 100 American operas, many of which have received unjustifiably scant attention since their premieres. From the spectacle and melodrama of William Dunlap's *Pizarro in Peru* (1800) and the pathos of Caryl Florio's *Uncle Tom's Cabin* (1882) to the chilling psychological drama of Jack Beeson's *Lizzie Borden* (1965) and the lyric elegance of John Corigliano's *The Ghosts of Versailles* (1991), opera in America displays the energy and diversity of the nation itself. Kirk shows that this rich, varied repertoire includes far more than familiar jewels such as *Porgy and Bess*, *Candide*, *Susannah*, and *The Consul*. Beginning with the English-influenced harlequinade of the revolutionary period, Kirk traces the development of comic opera, the rise of melodramatic romanticism, the emergence of American grand opera and verismo, and the explosion of eclectic forms that characterized American opera in the twentieth century. Devoting particular attention to the accomplishments of women and black composers and librettists, Kirk explores how American operas have incorporated indigenous elements such as jazz, popular song, folk music, Native American motifs, and Hollywood's cinematic techniques. She also discusses the impact of radio and television broadcasting on opera in America, the advent of opera workshops in universities, the integration of multimedia effects into recent opera productions, and innovations such as co-commissioning and joint staging that have helped sustain American opera as federal support has declined. An engaging introduction for neophytes, *American Opera* also offers an array of welcome surprises for diehard opera fans.
