Quickly learn Affinity Photo image editing
Affinity Photo is the hot photo editing package from Serif. It can compete head on with the latest version of Photoshop. It's also affordable, incredibly powerful and exceptionally flexible. But all this power and flexibility brings its own challenges. Just like Photoshop, Affinity Photo can be confusing and tricky to learn. Even with a background in Photoshop image editing it's likely you will miss a lot of its features. And unlike Photoshop you won't have an endless choice of books to learn from. Which is where "Essential Affinity Photo" comes to the rescue. In this comprehensive yet easy to follow book, Landscape Photographer Robin Whalley explains the core features of Affinity Photo Desktop. Written in his unique, easy to understand style, Robin explains logically the essential techniques you need to know to learn Affinity Photo. Follow this book and its examples and you will soon be editing images as though you have been using the software for years. The book is arranged into a series of lessons that focus in on the essential image editing skills. Each lesson builds on the previous one, minimising repetition and saving you valuable time. You will learn about: - Different Affinity Photo Personas, what these do and how to navigate them. - The Develop

File Type PDF Affinity Photo Workbook Book

Persona, using it to convert a Raw photo file into a high-quality image. - How layers form the backbone of the Photo Persona and how to use them to improve your editing. - Different Adjustment layers, filters and live filters you can apply, to fine tune and improve your photography. - How to convert your images to black and white as well as important techniques such as Dodging and Burning. - Creating and using layer masks to precisely target your adjustments to specific areas of an image. - Harnessing the power of the Export Persona. - And lots more. Throughout the book there are examples and exercises for you to follow. The author provides the images for these on his website, allowing you to follow along on your own computer. You won't need to wade through hundreds of pages to find answers. This is a comprehensive and concise guide to help you learn Affinity Photo. It doesn't matter if you are a complete novice or have some experience of Affinity Photo, this book could help improve your Affinity Photo editing.

Affinity Photo continues to be the fastest-growing, new photo editor on the market today and is quickly becoming the first choice for creative professionals and photographers alike. The Affinity Photo Manual was created with new users like you in mind to help you quickly and with as little effort as possible increase your confidence and proficiency in learning this software. Features of Affinity

Get ready to follow dazzling young writer George Mann to a London unlike any you've ever seen and into an adventure you will never forget, in *The Affinity Bridge*. Welcome to the bizarre and dangerous world of Victorian London, a city teetering on the edge of revolution. Its people are ushering in a new era of technology, dazzled each day by unfamiliar inventions. Airships soar in the skies over the city, while ground trains rumble through the streets and clockwork automatons are programmed to carry out menial tasks in the offices of lawyers, policemen, and journalists. But beneath this shiny veneer of progress lurks a sinister side. Queen Victoria is kept alive by a primitive life-support system, while her agents, Sir Maurice Newbury and his delectable assistant Miss Veronica Hobbes, do battle with enemies of the crown, physical and supernatural. This time Newbury and Hobbes are called to investigate the wreckage of a crashed airship

File Type PDF Affinity Photo Workbook Book

and its missing automaton pilot, while attempting to solve a string of strangulations attributed to a mysterious glowing policeman, and dealing with a zombie plague that is ravaging the slums of the capital.
