Book F is designed to help students use the parts of speech correctly in speaking and writing. They review the kinds of sentences; then they study nouns, pronouns, and verbs and use these elements in sentences. Students are introduced to subjects and predicates, adverbs, and adjectives. Complex sentences, including dependent, independent, adverb, and adjective clauses, are introduced. Punctuation is covered in detail, including the period, question mark, exclamation point, comma, apostrophe, and colon. Many activities encourage students to write independently. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a second language. Answers are provided at the back of the book. Book F is Grades 7+.
