Anthem is a dystopian fiction novella by Ayn Rand, written in 1937, and first published in 1938 in England. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life—use of the word 'I' is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism—reason, ethics, volition, and individualism. Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale.

While some try to get out of prison, Soapy, the only character in O. Henry ' s short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

The definitive biography of the rock ' n ' roll kings of the North With extensive, first-hand reflections from Geddy Lee, Alex Lifeson, and Neil Peart, as well as from family, friends, and fellow musicians, Anthem: Rush in the ' 70s is a detailed portrait of Canada ' s greatest rock ambassadors. The first of three volumes, Anthem puts the band ' s catalog, from their self-titled debut to 1978 ' s Hemispheres (the next volume resumes with the release of Permanent Waves) into both Canadian and general pop culture context, and presents the trio of quintessentially dependable, courteous Canucks as generators of incendiary, groundbreaking rock ' n ' roll. Fighting complacency, provoking thought, and often enraging critics, Rush has been at war with the music industry since 1974, when they were first dismissed as the Led Zeppelin of the north. Anthem, like each volume in this series, celebrates the perseverance of Geddy, Alex, and Neil: three men who maintained their values while operating from a Canadian base, throughout lean years, personal tragedies, and the band ' s eventual worldwide success.

' The Anthem Companion to Gabriel Tarde ' offers the best contemporary work on Gabriel Tarde, written by the best scholars currently working in this field. Original, authoritative and wide-ranging, the critical assessments of this volume will make it ideal for Tarde students and scholars alike. ' Anthem Companions to Sociology ' offer authoritative and comprehensive assessments of major figures in the development of sociology from the last two centuries. Covering the major advancements in sociological thought, these companions offer critical evaluations of key figures in the American and European sociological tradition, and will provide students and scholars with both an in-depth assessment of the makers of sociology and chart their relevance to modern society.

The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These things are forbidden- they have been forbidden since the beginning of time.

The Companion is a collection of articles covering noted German sociologist Ferdinand Tönnies' full range of thinking. Topics include Tönnies and the development of sociology, Tönnies on community, on globalization, on gender and the family, and on crime and law. They also include Tönnies ' views on politics, on public opinion as well as on Tönnies as Hobbes scholar and his relation to Georg Simmel. Each of the essays is written in a clear manner and will be understandable to the non-specialist. Each essay is comprehensive and will be useful to the specialist. The Companion is a welcome and significant contribution to our understanding of this noted sociologist and political thinker.

This teacher resource offers a detailed introduction to the program, which includes its guiding principles, implementation guidelines, an overview of the social studies skills that grade 5 students use and develop, and a classroom assessment plan complete with record-keeping templates and connections to the Achievement Levels outlined in the Ontario Social Studies Curriculum. This resource has two instructional units: Unit 1: Early Civilizations Unit 2: Aspects of Citizenship and Government in Canada Each unit is divided into lessons that focus on specific curricular expectations.
