Asia-Africa Development Divergence: A Question of Intent ...

By drawing on a biographical approach that divulges insights to the social, educational, and ideological milieus of Asian and African elites, Henley boldly attributes the development divergence between both regions to the varying conceptions of development held by their respective political leaders.

Asia-Africa Development Divergence: A Question of Intent ...

This book presents a simple, radical explanation for the great divergence in development performance between Asia and Africa: the absence in most parts of Africa, and the presence in Asia, of serious developmental intent on the part of national political leaders. Author Bio.

Asia-Africa Development Divergence - ZED Books

The conclusion reached in Asia–Africa Development Divergence is that South-East Asia’s performance has depended on simultaneously meeting three conditions: macroeconomic stability, economic freedom, and pro-poor public spending (on peasant agriculture and rural infrastructure). Of the three, the last is central.

Synopsis. Why have South-East Asian countries like Malaysia, Indonesia and Vietnam been so successful in reducing levels of absolute poverty, while in African countries like Kenya, Nigeria and Tanzania, despite recent economic growth, most people are still almost as poor as they were half a century ago? This book presents a simple, radical explanation for the great divergence in development performance between Asia and Africa: the absence in most parts of Africa, and the presence in Asia, of ...
