best of DETAIL Building for Children

In all debates on school system reform, teaching methods, care facilities for young children or individual funding opportunities, educational objectives are almost always at the fore. The more often issues of all-day schooling and inclusion are dealt with, the more important spatial concepts and aspects of aesthetics become. Results of international performance tests and findings from the ...

This is our 12-step programme to a beginner ’ s detail: When starting anything, it ’ s often hard to know where to start, never mind detailing. Detailing can be a maze, there are a number of different levels of detailing, with a number of different techniques and theories, but we ’ re here to start you off on some of the basics. Basics that probably sound too detailed to be basic, but we can ...

AFF—Best of DETAIL—Bauen f ü r Kinder

Choosing the best project. Basic is better. Faux fur makes simple projects look terrific. And even if you could wrestle the material into intricate twists and turns, that type of detail wouldn ’ t show up very well anyway; it gets lost in the plush. Projects specifically designed for faux fur usually make an allowance for fullness.
