There are lots of books about the classic BMW Boxers; their history,

performance, lineage, and the minutiae of its specification. But none of them

concentrate entirely on telling you what to look for when buying one secondhand.

That's what this book is about - it is a

straightforward,

practical guide to

buying a used Boxer  
twin. It doesn't list all

the correct colour

combinations for

each year or analyse

the bike's design

philosophy - there are

excellent books listed

at the end of this one

that do all of that -

but it will help you

avoid buying a dud.
