From marine diesel engines and generator sets to technology solutions, Caterpillar Marine is your partner on the water — backed by the worldwide dealer support network. For clean, reliable power, choose from our broad product lineup that includes marine diesel and dual fuel propulsion engines, auxiliary engines, marine generator sets and complete fuel gas handling systems.

Marine Diesel Engines and Generators | Cat | Caterpillar

The 3208 Marine Engine was used in millions of boats for propulsion and generators on larger vessels. These "Old Faithful" engines are mechanical and loved by many rather than the newer Electronic engines. This high demand for these engines right now has made them scarce as everyone wants them. In some cases (Higher HP Versions)we will have to "Build Owners Core".
