Napoleonic Code, French Code Napoléon, French civil code enacted on March 21, 1804, and still extant, with revisions. It was the main influence on the 19th-century civil codes of most countries of continental Europe and Latin America.

Napoleonic Code | Definition, Facts, & Significance ...
"Code Napoleon"), officially the Civil Code of the French (French: Code civil des Français; simply referred to as Code civil) is the French civil code established under the French Consulate in 1804 and still in force, although frequently amended. It was drafted by a commission of four eminent jurists and entered into force on 21 March 1804.

Napoleonic Code - Wikipedia

The Napoleonic Code (Code Napoléon) was a unified legal code produced in post-revolutionary France and enacted by Napoleon in 1804. Napoleon gave the laws his name, and they largely remain in place in France today. They also heavily influenced world laws in the 19th century.

Napoleon attended in person 36 of the commission's 87 meetings. Although the draft was completed at the end of 1801, the Code was not published until 21 March 1804. The Civil Code represents a typically Napoleonic mix of liberalism and conservatism, although most of the basic revolutionary gains - equality before the law, freedom of religion and the abolition of feudalism - were consolidated ...
