"In what is the most comprehensive biography of the group to date, Browne compiles a fun and fast-paced music history.... an authoritative chronicle."  
--Publishers Weekly The first and most complete narrative biography of Crosby, Stills, Nash and Young, by acclaimed music journalist and Rolling Stone senior writer David Browne Even in the larger-than-life world of rock and roll, it was hard to imagine four more different men. David Crosby, the opinionated hippie guru. Stephen Stills, the perpetually driven musician. Graham Nash, the tactful pop craftsman. Neil Young, the creatively restless loner. But together, few groups were as in sync with their times as Crosby, Stills, Nash and Young. Starting with the original trio's landmark 1969 debut album, the group embodied much about its era: communal musicmaking, protest songs that took on the establishment and Richard Nixon, and liberal attitudes toward partners and lifestyles. Their group or individual songs--"Wooden Ships," "Suite: Judy Blue Eyes," "After the Gold Rush," "For What It's Worth" (with Stills and Young's Buffalo Springfield), "Love the One You're With," "Long Time Gone," "Just a Song Before I Go," "Southern Cross"--became the

## Read Book Crosby Stills Nash And Young

soundtrack of a generation. But their story would rarely be as harmonious as their legendary and influential vocal blend. In the years that followed, these four volatile men would continually break up, reunite, and disband again--all against a backdrop of social and musical change, recurring disagreements and jealousies, and self-destructive tendencies that threatened to cripple them both as a group and as individuals. In *Crosby, Stills, Nash and Young: The Wild, Definitive Saga of Rock's Greatest Supergroup*, longtime music journalist and Rolling Stone writer David Browne presents the ultimate deep dive into rock and roll's most musical and turbulent brotherhood on the occasion of its 50th anniversary. Featuring exclusive interviews with David Crosby and Graham Nash along with band members, colleagues, fellow superstars, former managers, employees, and lovers--and with access to unreleased music and documents--Browne takes readers backstage and onstage, into the musicians' homes, recording studios, and psyches, to chronicle the creative and psychological ties that have bound these men together--and sometimes torn them apart. This is the sweeping story of rock's longest-running, most dysfunctional, yet pre-eminent musical family, delivered with the epic feel their story rightly deserves.

"A must for CSNY fans." —Kirkus Reviews, starred review The first ever biography focused on the formative and highly influential early years of "rock's first supergroup" (Rolling Stone) Crosby, Stills, Nash, and Young—when they were the most successful, influential, and politically potent band in America—in honor of the

## Read Book Crosby Stills Nash And Young

fiftieth anniversary of Woodstock and the formation of the band itself. 1969 to 1974 were true golden years of rock n' roll, bookmarking an era of arguably unparalleled musical power and innovation. But even more than any of their eminent peers, David Crosby, Stephen Stills, Graham Nash, and Neil Young channeled and broadcast all the radical anger, romantic idealism, and generational angst of their time. Each of the members had already made their marks in huge bands (The Hollies, Buffalo Springfield, The Byrds), but together, their harmonies were transcendent. The vast emotional range of their music, from delicate acoustic confessionals to raucous counter-culture anthems, was mirrored in the turbulence of their personal lives. Their trademark may have been vocal harmony, but few—if any—of their contemporaries could match the recklessness of their hedonistic and often combative lifestyles, when the four tenacious, volatile, and prodigal songwriters pursued chemical and sexual pleasure to life-threatening extremes. Including full color photographs, CSNY chronicles these four iconic musicians and the movement they came to represent, concentrating on their prime as a collective unit and a cultural force: the years between 1969, when Woodstock telegraphed their arrival to the world, and 1974, when their arch-enemy Richard Nixon was driven from office, and the band (to quote Graham Nash himself) “lost it on the highway.” Even fifty years later, there are plenty of stories left to be told about Crosby, Stills, Nash, and Young—and music historian Peter Doggett is here to bring them to light in the meticulously researched CSNY, a quintessential and illuminative account of rock's first supergroup in their golden hour for die-hard

fans, nostalgic flower-children, and music history aficionados alike.

Crosby, Stills, Nash, and Young, with their distinct vocal harmonies, blending of rock, jazz, folk, and blues, and political and social activism, have remained one of the most enduring musical acts of the 1960s. This book examines their songs and themes, which continue to resonate with contemporary listeners, and argues that Crosby, Stills, Nash, and Young reflect part of the broader story of American culture. This appreciative volume contextualizes their work within the political climate of the late 1960s, and makes the case that the values and concerns expressed in their music thread through the American experience today.

Written with complete cooperation from the band, the updated and revised version of this rock biography chronicles the trio that began its career at Woodstock and wrote such classics as "Suite: Judy Blue Eyes" and "Teach Your Children," taking an honest look at the personal successes and failures behind the harmonious music. Original.

Crosby, Stills, Nash & Young have been hailed as "The American Beatles" and "Folk-Rock's Mount Rushmore." They launched a trail-blazing acoustic-electric sound in 1969 and have been captivating listeners with their music ever since. Coming together as refugees from three seminal '60s bands-the Byrds, Buffalo Springfield and the Hollies-the combined talents of David Crosby, Stephen Stills, Graham Nash

## Read Book Crosby Stills Nash And Young

and Neil Young have influenced several generations of musicians while proving to have enduring appeal to fans of all ages. As rock and roll's first "supergroup," CSNY generated an enormous amount of media scrutiny—from their galvanizing appearance at Woodstock to multi-platinum, chart-topping albums such as *Deja Vu*, from David Crosby's miraculous recovery from life-threatening addictions to the band's resurgence for enormously successful concert tours. Now, noted CSNY historian Dave Zimmer distills the best of the journalism on these four remarkable artists, ranging from group portraits to individual profiles to in-depth interviews to incisive commentary by such writers as Cameron Crowe, Ben Fong-Torres and David Crosby himself. *4 Way Street: The Crosby, Stills, Nash & Young Reader* is an open window into one of the most popular groups of all time, offering a fascinating look at their highly charged musical relationships and how they have changed over the decades, along the way revealing a colorful chronicle of the music of an era that continues to echo into the new millennium.

This book is a long overdue dissection of the CSN&Y phenomenon, emphasizing their extraordinary odyssey over three decades. Obviously, the major part of this work concerns itself with their time workings as CSN&Y and, wherever possible, I have included a detailed breakdown of their various concert performances and recording sessions during these crucial periods.

A founding member of the iconic bands Crosby, Stills, Nash & Young and the Hollies

## Read Book Crosby Stills Nash And Young

shares the story of his life from his youth in post-war England through his creative relationship with Joni Mitchell and his enduring career as a solo musician and political activist.

Music legend, photographer, and artist Graham Nash reflects on more than fifty years of an extraordinary life in this extensive collection of personal photographs, paintings, and mixed-media artwork. In this curated collection of art and photography from his personal archive, Graham Nash's life as a musician and artist unfolds in vivid detail. Best known as a founding member of the Hollies and supergroup Crosby, Stills & Nash, Graham developed a love of photography from the time he was a child. Inspired by his father, Nash began taking pictures at 10 years old and would go on to take his camera with him ever since—on tour with the Hollies and later CSN and CSNY, among friends at Laurel Canyon and abroad. Many of his photographs depict intimate moments with family and friends, among them Joni Mitchell, Stephen Stills, and Neil Young. This volume presents these images alongside Nash's own reflections, telling the story behind the pictures and giving insight into the life of one of the greatest musicians of all time.

**NATIONAL BESTSELLER** From the comedian, television writer, and host of the Best Show, a revealing and powerful memoir exploring a life of struggle and reinvention

## Read Book Crosby Stills Nash And Young

“This book is unflinchingly honest, deeply affecting and just relentlessly funny. If you read it and don’t like it, it’s 100% your fault.”—John Oliver, Emmy Award-winning creator and host of HBO’s Last Week Tonight with John Oliver Tom Scharpling is good at being funny, which is a miracle, considering what he’s survived. Like hitting a deer and narrowly escaping with his life on the night of the 2016 election. But that’s nothing compared to the struggles he had earlier in his life. *It Never Ends* is his memoir of a life writing comedy amidst a lifelong struggle with mental illness, a story he has never told before. It’s the heartbreaking account of his intense coming-of-age, and the lengths he’s undertaken to pull away from the brink of self-destruction. Scharpling brought himself back to life first with punk zines and NBA coverage, then through the world of comedy, writing and executive producing *Monk*, and creating one of the most beloved, longest running comedy radio broadcasts/podcasts, *The Best Show*. Of course, there are also the tangents into auditioning for *The New Monkees*, why Billy Joel sucks, the siren call of the *Sex and the City* slot machines, and how he made a fool of himself in an elevator with Patti Smith. Tom is the quintessential underdog, and he wears that status on his sleeve as a badge of honor. With this memoir, he lifts the curtain to let the light in on the turmoil that still follows him, even as he racks up accolades and achievements. But most importantly, he reminds us that while many of us carry trauma and shame, we are not alone. *It Never Ends* is about rising above whatever circumstance you find yourself in and getting the most out of your life, while steamrolling the chumps along the way.
