kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.

Chronicles the fates of the two daughters of a Saudi Arabian princess--the elder, driven by isolation and fear into a lesbian relationship and mental breakdown, and the younger, who is seduced by fundamentalist fanaticism.

In *Princess*, readers were shocked by Sultana's revelations about life in Saudi Arabia's royal family. Royal women live as virtual prisoners, surrounded by unimaginable wealth and luxury, privileged beyond belief, and yet subject to every whim of their husbands, fathers, and even their sons. *Daughters of Arabia* featured Sultana's teenage daughters, determined to rebel but in very different ways. And now, in *Desert Royal*, Sultana's fight for women's rights in a repressive, fundamentalist Islamic society, has an extra sense of urgency. The threat of world terrorism, the gathering strength of religious leaders and the discontent of impoverished Saudis are threatening to topple the comfortable world Sultana has known. But an extended family 'camping' trip in the desert brings Sultana and her relatives face to face with their nomadic roots, and nourishes her will to carry on the fight for women's rights in all Muslim countries. This updated edition contains an all-new chapter as well as a letter from Sultana herself, encouraging all women to take up the struggle for freedom for their abused sisters throughout the world.

Osama bin Laden's former sister-in-law provides a penetrating, unusually intimate look into Saudi society and the bin Laden family's role within it, as well as the treatment of Saudi women. On September 11th, 2001, Carmen bin Ladin heard the news that the Twin Towers had been struck.

She instinctively knew that her ex-brother-in-law was involved in these horrifying acts of terrorism, and her heart went out to America. She also knew that her life and the lives of her family would never be the same again. Carmen bin Ladin, half Swiss and half Persian, married into and later divorced from the bin Laden family and found herself inside a complex and vast clan, part of a society that she neither knew nor understood. Her story takes us inside the bin Laden family and one of the most powerful, secretive, and repressed kingdoms in the world.

It all begins with an ad in the newspaper. When Jean Sasson, a young Southern woman living in Jacksonville Beach, Florida, answers a call to work in the royal hospital in Saudi Arabia, what should have been a two-year stay turns into a life-changing adventure spanning over a decade. Over the years Jean is plunged into the hidden lives of the veiled women in Riyadh, where women are locked in luxurious homes and fundamentalist mutawas terrorize the streets. Jean meets women from all walks of life--a feisty bedouin, an educated mother, a conservative wife of a high-ranking Saudi, and a Saudi princess the world knows as Princess Sultana--all who open a window into Saudi culture and help to reshape Jean's worldviews ... the first installment in a heartfelt, inspiring memoir about Jean's thirty-year travels and adventures in Saudi Arabia, Lebanon, Kuwait and Iraq.

When Jean Sasson ' s book Princess: Life Behind the Veil in Saudi Arabia was published, it became an immediate international bestseller. It sold to 43 countries and spent 13 weeks on The New York Times bestseller list. Now, in this long-awaited, compelling new book, Sasson and the Princess ' Sultana ' return to tell the world what it means to be a Saudi woman today. Through advances in education

and with access to work, Saudi women are breaking through the barriers; they are becoming doctors, social workers, business owners and are even managing to push at the boundaries of public life. Major steps forward have, undoubtedly, been made. But this is not the whole story. Sadly, despite changes in the law, all too often legal loopholes leave women exposed to terrible suppression, abuse and crimes of psychological and physical violence. For many, the struggle for basic human rights continues. This fascinating insight will include personal stories of triumph and heartbreak, as told to Princess 'Sultana', her eldest daughter, and author Jean Sasson. Each of these stories will offer the reader a glimpse into different aspects of Saudi society, including the lives of the Princess, her daughter and other members of the Al-Saud Royal family.

The Princess Trilogy consists of *Princess, A True Story*; *Princess Sultana's Daughters*; and *Princess Sultana's Circle*. Sultana is a Saudi Arabian princess, born to uncountable wealth. She has four mansions on three continents, her own private jet, glittering jewels, designer dresses galore. But she has no freedom, no control over her own life, no value but as a bearer of sons. Sultana is a member of the Saudi royal family, closely related to the king. For the sake of her daughters, she has decided to take the risk of speaking out about the life of women in her country, regardless of their rank. She must hide her identity for fear that the religious leaders in her country would call for her death to punish her honesty. Only a woman in her position could possibly hope to escape from being revealed and punished. Although Sultana lives with constant fear of retribution, her passion to provide her daughters a better life transcends her fear and fuels her desire for change.

Yasmeena was an innocent abroad. She was a college educated, English-speaking flight attendant graced with an unusual amount of confidence and sophistication.
