Dbt Group Guide - store.fpftech.com

DBT group is therapeutic but it's not therapy. DBT group helps you make changes, but it's not actually therapy. The therapy part of DBT happens with your individual therapist. You need to be attending weekly individual therapy sessions at the same time that you are participating in the group. So what actually happens in DBT group? Mindfulness Practice. Each group begins with a mindfulness practice. Mindfulness is the foundational skill in DBT and you get a chance to practice it every week.

Here's what happens in a DBT group (and how it can help you)
