Completely revised and updated, the Second Edition of Fundamentals of Nursing Made Incredibly Easy! presents essential nursing fundamentals in the easy-to-read, fun-to-learn format that is popular with nurses, nursing students, and faculty. The book provides comprehensive coverage of the theoretical foundations of nursing, the nursing process, basic nursing skills, physiologic patient care, and the latest nursing concepts, including evidence-based practice and critical thinking. Specific topics covered include oxygenation, self-care and hygiene, mobility and exercise, comfort from pain, rest and sleep, skin integrity, nutrition, and urinary and bowel elimination. Abundant illustrations, call-outs, end-of-chapter quizzes reinforce reading and highlight age-related considerations, risks and complications, and provide tips for documentation and patient teaching.

Pediatric Nursing Made Incredibly Easy! Second Edition Whether you are prepping for the NCLEX or certification exam, looking for an aid to class materials, or just want to refresh your skills, Pediatric Nursing Made Incredibly Easy!is the answer. Part of the award-winning Made Incredibly Easy! Series, this fun, practical guide addresses pediatric care and childhood disorders in light of each level of child development, with a family-involved care approach. Full of expert insight and MIE's trademark wit, this lively reference addresses the full range of common pediatric conditions, and illuminates the many roles of the pediatric nurse. Features: - Current data on more than 100 pediatric disorders, including genetic and cognitive disorders - Coverage of topics including: cultural considerations, hospital care, children with disabilities and terminal illness, pain assessment and management, drug metabolism, healthcare team collaboration, ethics and professional boundaries - Full color inserts illuminate complex concepts - "Nurse Joy" and other illustrated characters offer tips and insights - Easy-reference format with concise, bulleted content - Numerous tables, illustrations and flow charts - Special features: - Just the Facts – quick summary at start of each chapter - Quick Quiz – at end of each chapter - Advice from Experts – experienced practitioners' insights - It's all relative – teaching tips and checklists for family education - Growing pains – developmental stage descriptions, expectations and risks - Cultured pearls – insights on unique aspects of care by cultural group - Glossary of essential pediatric terms, selected references, and online sources

Building on and strengthening the award-winning Incredibly Easy! Series[®] features, Surgical Care Made Incredibly Visual! offers an innovative visual approach to mastering perioperative nursing. Hundreds of detailed and colorful photographs, diagrams, charts, and other visual aids guide nurses through each task in surgical care, including perianesthesia management, infection control, wound care, and nursing interventions for specific surgical procedures. Colored text highlights crucial information, and lighthearted logos reinforce key points. Come Equipped displays photographs or illustrations of equipment. Op Sight presents photographs or illustrations of surgical procedures. Post-Op Pitfall describes common complications of selected surgical procedures. Memory Board features visual mnemonics. "Vision Quest" puzzles test readers' knowledge in an entertaining way.

This book has been written to combine the world of medical diagnoses, the human body's systems and the pathophysiology that occurs with complications to the system with the national accrediting organizations' standards and to connect these with nursing concepts based on practice standards. In order to facilitate the transfer of large amounts of information to the long-term memory, cognitive learning theory has been incorporated throughout the book through the use of mnemonics, songs, jingles, etc.

Maternal-Neonatal Nursing Made Incredibly Easy! Third Edition offers everything nurses need to know for optimal maternal-neonatal nursing care. This thoroughly updated edition includes new information on bed rest, postpartum depression, alternative therapies, substance abuse, and complex psychosocial disorders, plus a new icon highlighting evidence-based practice. The book is written in the entertaining, award-winning Incredibly Easy! style, with numerous charts and illustrations, two four-page full-color inserts, humorous cartoons, icons emphasizing key information, memory joggers, and end-of-chapter quick quizzes.
