Crocodile, by Daniel Shand, is a disturbing and utterly compelling tale of a preteen struggling to cope with her upbringing. The story opens as the girl, Chloe, is taken from the home she shares with her mother to stay for a while with her maternal grandparents. Unsure of what is happening, or why, she detaches herself from reality – a strategy she uses when her surrounds become too ...

Walking into a little room, we observed that besides the crocodile there were in it parrots of the species known as cockatoo, and also a group of monkeys in a special case in a recess. Near the entrance, along the left wall stood a big tin tank that looked like a bath covered with a thin iron grating, filled with water to the depth of two inches. In this shallow pool was kept a huge crocodile ...
