Expanding peace journalism: comparative and critical approaches draws together cutting-edge contributions from 17 international writers to this rapidly emerging field of research. Media coverage of conflicts is propagandistic and commonly portrays two elite actors contesting a single goal of 'victory'.

Expanding Peace Journalism: Comparative and Critical...

Abstract This article aims to expand peace journalism scholarship by proposing a new peace journalism model for analyzing media representations of immigration. By employing framing and content analysis, the paper takes a closer look at the ways in which four Greek newspapers portrayed immigration in crisis-stricken Greece between 2011 and 2014.
