A milestone in the field of composition,
Writing about Writing

Online Library

Focus On

continues to be the only textbook to provide an approach that makes writing studies the center of the introductory writing course. Based on Wardle and Downs's research and organized around major threshold concepts of writing, this groundbreaking book empowers

Online Library

Focus On

students in all majors by showing them how to draw on what they know and engage with ongoing conversations about writing and literacy.

The accessible writing studies research in *Writing about Writing* includes foundational research by scholars such as Nancy Sommers and Donald
