Somalia is a failed state, representing a threat to itself, its neighbours and the wider world. In recent years, it has become notorious for the piracy off its coast and the rise of Islamic extremism, opening it up as a new 'southern front' in the war on terror. At least that is how it is inevitably portrayed by politicians and in the media.

Mary Harper ' s book Getting Somalia wrong? Faith, hope and war in a shattered state paints a picture of Somalia as a vibrant and resilient society, for which statehood is, and may always have been, an unsuitable model. International efforts to bring it into line with the conventional model of the state are therefore misplaced and counter-productive, and miss opportunities to learn lessons of far-reaching relevance for global strategy and diplomacy.

The next book in the African Arguments series is Getting Somalia Wrong by BBC journalist Mary Harper. It is a complex account of a country too often stereotyped by one or two of its most notorious characteristics – recently these being the Islamist insurgency of Al-Shabaab, piracy off its Indian Ocean coast and terrible famine.

Getting Somalia Wrong: faith, war and hope in a shattered ...

In Getting Somalia Wrong?, Mary Harper presents the first comprehensive account of the chaos into which the country has descended and the United States' renewed involvement there. In doing so, Harper argues that viewing Somalia through the prism of al-Qaeda risks further destabilizing the country and the entire Horn of Africa, while also showing that though the country may be a failed state, it is far from being a failed society.

Getting Somalia Wrong?: Faith, War and Hope in a Shattered ...

The dominant view of Somalia today is of a failed state riven by war, terrorism, piracy, poverty and hunger. Mary Harper, a BBC journalist who has been reporting from Somalia since 1991, argues these images and labels act as a barrier to a more nuanced and deeper understanding of the country.
