10 Things a Happy Person Does Differently

How to Stay Happy Around Negative People The critical thing you must do before confronting a negative person. Posted May 20, 2014

How to Stay Happy Around Negative People | Psychology Today

Happy people understand that those they are in relationship with are an "addition to," not a completion of them. They live full lives so that at the end of the day they have so much more to share. A loving reminder: Don't rely on your partners to shift your moods, heal you, or fill your empty spaces. And remember it's not your responsibility to do that for your partner either.

10 Things Happy People Do to Stay Happy - Tiny Buddha

Generally open and friendly towards people they meet, happy people foster a sense of community around themselves and meet new people with an open heart. Unhappy people are distrustful of most people they meet and assume that strangers can't be trusted.
