Training strategy is an anchor for the future. Two years later, the strategy that the training department worked on “under the table” became a request from management. This strategy has firmly secured many training tasks (both “needed” and “nice-to-have”) on the agenda and given training a clear direction for the future.

Developing a Training Department: Baby Steps to Success ...

Step 1: Pick your topic. The first thing to do when creating training videos is to select a useful, relevant topic. People are incredibly quick to abandon videos that don't provide the relevant information, so selecting a topic of interest and importance to your audience is critical.
