"The Committee on Payment and Settlement Systems (CPSS) publishes - under the aegis of the Bank for International Settlements (BIS) - reference works on the payment systems and other financial market infrastructures of various countries, widely known as Red Books. The Red Book for the CPSS countries was last published in April 2003. After the enlargement of the CPSS to 24 countries in 2009, this edition of the Red Book for the CPSS countries is in two volumes"--Foreword.

The definitive report on what caused America's economic meltdown and who was responsibleThe financial and economic crisis has touched the lives of millions of Americans who have lost their jobs and their homes, but many have little understanding of how it happened. Now, in this very accessible report, readers can

get the facts. Formed in May 2009, the Financial Crisis Inquiry Commission (FCIC) is a panel of 10 commissioners with experience in business, regulations, economics, and housing, chosen by Congress to explain what happened and why it happened. This panel has had subpoena power that enabled them to interview people and examine documents that no reporter had access to. The FCIC has reviewed millions of pages of documents, and interviewed more than 600 leaders, experts, and participants in the financial markets and government regulatory agencies, as well as individuals and businesses affected by the crisis. In the tradition of The 9/11 Commission Report, "The Financial Crisis Inquiry Report" will be a comprehensive book for the lay reader, complete with a glossary, charts, and easy-to-read diagrams, and a timeline that includes important events. It

low-level manager, she ' s a beautician — whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at fifty-five with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is “ automating ” the way to wealth by “ paying yourself first, ” using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. A concise guide that ' s a fixture on bestseller lists, The Automatic Millionaire introduces readers to a system that is powerful and simple — an automatically effective, life-changing system that delivers. Do it once, the rest is automatic.

your money, like everything else in life, is a matter of habit and discipline. This book aims to get you into the habit and give you that discipline. No matter how much money you have, this book will help you substantially increase your disposable income while maintaining your lifestyle.

Two of the main causes of stress in life are financial debt and lack of funds to do what you want in life. This book will reduce the stress in your life by first showing you how to save money in all areas of your life, so increasing your monthly disposable income, then advising you how best to apply this money to eliminate your debts.

This book will encourage you to approach your finances as you would a diet. All diets start with an understanding of current body condition followed by a period of adopting diet guidelines and monitoring progress. This book contains exercises to enable you to understand your current

financial condition and to monitor it. The book then provides guidelines to employ in every area of your life to help you streamline your spending and maximise your savings. As with a diet, the more closely you follow the guidelines, the more money you will save. A step-by-step real life case study is provided at the end of the book. This enables you to work through the financial exercises and see the money-saving tips in a real life situation. The case study demonstrates how to move from significant indebtedness to debt-free living in easy-to-follow steps. This book will be the best investment you make this year.
