You can process the Basic Pay infotype (0008) on its own or with a personnel action. If you want to create a new data record, enter the payment type on the Maintain HR Master Data screen. The payment type is already set if you carry out a personnel action. If you copy a data record, the values in the Pay Scale Type , Pay Scale Area , Capacity Utilization Level, and Work Hours/Period fields are redetermined and not copied, depending on the Use Default Values for Infotypes feature (DFINF) .
