That is a very difficult question and probably beyond my expertise. There is a significant difference in level between Japanese Language B standard Level and higher level, I would guess that SL is about JLPT 3/4, and HL is JLPT Level 2/3. I would be very grateful for anyone else's opinion.

IB - Rajakumar Sensei's Japanese Page

The distinction between language B SL and HL can be seen in the number of recommended teaching hours, the level of competency the student is expected to develop in receptive, productive and interactive skills, and that HL students are required to study two literary works originally written in the target language.
