## *Learner Centered Instruction Building Relationships For Student Success*

...

Constructivism's central idea is that human learning is constructed, that learners build new knowledge upon the foundation of previous learning. This prior knowledge influences what new or modified knowledge an individual will construct from new learning experiences (Phillips, 1995). Learning is an active process

### *Constructivism as a Theory for Teaching and Learning*

...

Learner-centered education is about an entirely new way
