Online Library Managing The Law The Legal Aspects

Law practice management is the management of a law practice. In the United States, law firms may be composed of a single attorney, of several attorneys, or of many attorneys, plus support staff such as paralegals/legal assistants, secretaries, and other personnel.

Online Library Managing The Law The Legal Aspects

Of Doing Business
Debate over law as a profession versus a business has occurred for over a century; a number of observers believe that it is both. Law practice management is the study and practice of business administration in the legal context, includ

Online Library Managing The Law The Legal Aspects Of Doing Business

Law practice management - Wikipedia

Legal risk management, sometimes referred to simply as “LRM,” is one of the core activities of any corporate legal department, regardless of the

Online Library Managing The Law The Legal Aspects

size of the department or the company itself. If there is just a single lawyer in the legal department, he or she must develop a basic LRM initiative that takes into account the dearth of time and other resources available.
