For those who are undertaking haymaking for the first time, this book offers wise counsel and practical advice, providing step-by-step instructions that will see the new or casual farmer through the entire process. From plowing and planting the field to cutting, baling, and storing, author Spencer Yost clearly and concisely explains what to do, citing examples and describing instructive situations from his own experience as a hay farmer. He also includes ample information of the different types of haying equipment and basic machinery maintenance. Also includes informative sidebars on seed types and sowing information; using GPS surveying to estimate planting yields; how to test hay dryness with a microwave oven, and other helpful hints.

The novels also engages questions concerning Austria's post-war history, and the legacy of Nazism in Austria." "In Harry, A Reckoning (first published in 1984), Charlie Tractor's son, Harry, delivers a monologue to the author of the novel based on his father's experiences. The work contains, among other things, a reconsideration of changing historical conditions in Austria, and the role of literature in this context. Both works are simultaneously funny and seriously engaged."--BOOK JACKET.
