In the city-states that gave birth to Western civilization, drugs were an everyday element of a free society. Often they were not just available, but vitally necessary for use in medicine, religious ceremonies, and war campaigns. Their proponents and users existed in all classes, from the common soldier to the emperor himself.

PC has definitely become an enemy of rational thinking and Western civilization in general. ... all of which are unsupported by Western, evidence-based medicine but are backed by belief systems ...

Britain Ruled by Political Correctness

Some 60,000 or so persons in western Scotland speak the Scottish form of Gaelic (down from 80,000 in 1991), and a few families in Northern Ireland speak Irish Gaelic. On the Isle of Man , the Manx variety of Celtic is used in official pronouncements; in the Channel Islands some persons still speak a Norman-French dialect.

United Kingdom Of Great Britain And Northern Ireland ...

These early civilizations around the Mediterranean Sea are the heart of Western civilization. Our laws, language, cuisine, customs and ideas still bear their imprint. From numerals to architecture, the Egyptian, Minoan, Etruscan, Phoenician, Greek, Roman and other Mediterranean cultures, gave us much of what we recognize today in our daily lives.

Map of the Mediterranean Sea

There are also London Therapists like we have here at Kobkun which practice and teach Thai massage in Europe and North America. Thai massage has been welcomed with open arms by the western civilization, as people have found in it a great way to relax their body and spirit in order to be able to face oncoming stress and tension.
