I've recently been

learning the basics of

CNC machining.

That's a kind of funny

sentence if you're not

Read PDF

Metalwork And

Machining Hints

familiar with the terms, so let me explain. Machining is using fancy tools called mills to grind and cut away bits of metal. It isn't the easiest thing in the world to pick up over a weekend, there are lots of little things to learn.

who have no flair for

things DIY, this book

will be a very useful

source of information

when tackling

everyday chores

around the home and

garden, such as

removing mildew in

the bathroom,

replacing a broken

windowpane or

making a temporary

pipe repair. The aim

Read PDF

Metalwork And

Machining Hints

of the book is to
provide sufficient

information to get you

started with simple

DIY tasks and to

encourage you to do

little jobs in the home

without having to call

in and pay exorbitant

prices for an expert's

advice and services.

Much of doing it

yourself is simply

being able to think

Read PDF

Metalwork And

Machining Hints,

so the hints and tips

are designed to make

things somewhat

easier, especially for

those without much

DIY knowledge. A

wide range of

subjects has been

incorporated including

a section on the tools

you should have in

order to do small DIY

tasks around the
