Quit your day job! Make a million in real estate! It's easier than you think! A few years ago, Matthew Martinez was a lot like you - he worked hard to make as big a salary as he could. But it wasn't enough. He worked by the clock, and yearned to be his own boss. With a small amount of savings, he acquired his first rental property. Two years later, he was making more from his rentals than he was working 9 to 5, so he quit his day job to oversee his real estate investments. Today, he enjoys a multi-million-dollar collection of income-producing properties--and he's ready to share his money-making strategies so you can begin your own journey to career

The American Dream has shifted...Not long ago, Americans were bent on home ownership. Most viewed it as one of their great life goals and their largest investment. No more. Almost overnight, the demographics have shifted. For an increasing number of Americans of all ages and backgrounds, renting is in, and home ownership is out. Experienced commercial real estate investors know that the risk profile, returns and tax benefits of large scale multifamily are virtually unmatched.

Unfortunately, access to these investments is unavailable to most investors. The author takes you on a journey through his surprising discoveries about the power of this unique asset class. The Perfect

Investment teaches you... The secrets used by the super-wealthy to attain and maintain their wealth over generations (and why you're not invited to their party). Why multifamily investing scored 460% better than the stock market on a key risk vs. reward ratio. Why investing in flips, single family rentals, and small apartments is a not a path to multi-generational wealth for the vast majority of people. Why US demographics, the economy, and the fallout from the last recession have caused the perfect storm for the success of this asset class. How multifamily investors "partner" with the IRS to reap significant profits while paying virtually no taxes. (Your CPA may not know these tax codes, but you need to!)
