*Summer of Sarah MacLean: Never Judge a Lady by Her Cover*. By: Jacqueline Lee. On: July 23, 2020. In: Books, Features. *Never Judge a Lady by Her Cover* is Sarah MacLean 's THRILLING conclusion to the Rule of Scoundrels series. This book tells the love story of Georgiana and Duncan, but also reveals the identity of Chase the head of The Fallen Angel. Despite being a reread for me – it felt like a brand new book due to all the delightful Easter eggs MacLean placed throughout the book!

*Never Judge a Lady* is a marvelous end to the series and had me kicking myself for not seeing what was right in front of my eyes, through each book. When i got into the book and recognized Chase i had to shake my head at the books before where it was laid out a plain as the nose on my face but i didn't see it.

RITA@ Award-winning author Sarah MacLean reveals the identity of The Fallen Angel's final scoundrel in the spectacular conclusion to her New York Times bestselling Rules of Scoundrels series . . . By day, she is Lady Georgiana, sister to a duke, ruined before her first season in the worst kind of scandal. But the truth is far more shocking—in London's darkest corners, she is Chase, the mysterious, unknown founder of the city's most legendary gaming hell. For years, her double identity has gone undiscovered . . . until now. Brilliant, driven, handsome-as-sin Duncan West is intrigued by the beautiful, ruined woman who is somehow connected to a world of darkness and sin. He knows she is more than she seems, and he vows to uncover all of Georgiana's secrets, laying bare her past, threatening her present, and risking all she holds dear . . . including her heart.

Lady Alexandra Stafford shows no interest in the pleasures enjoyed by Regency London society, preferring to seek adventure as she helps the devilishly handsome Gavin investigate the murder of his father, the Earl of Blackmoor. Lady Philippa Marbury is . . . odd The brilliant, bespectacled daughter of a double marquess cares more for books than balls, for science than the season, and for laboratories than love. She's looking forward to marrying her simple fiancé and living out her days quietly with her dogs and her scientific experiments. But before that, Pippa has two weeks to experience all the rest—fourteen days to research the exciting parts of life. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a Scoundrel She needs Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. But reputations often hide the darkest secrets, and when the unconventional Pippa boldly propositions him, seeking science without emotion, she threatens all he works to protect. He is tempted to give Pippa precisely what she wants . . . but the scoundrel is more than he seems, and it will take every ounce of his willpower to resist giving the lady more than she ever imagined.

A rogue ruined . . . He is the Killer Duke, accused of murdering Mara Lowe on the eve of her wedding. With no memory of that fateful night, Temple has reigned over the darkest of London's corners for twelve years, wealthy and powerful, but beyond redemption. Until one night, Mara resurfaces, offering the one thing he's dreamed of . . . absolution. A lady returned . . . Mara planned never to return to the world from which she'd run, but when her brother falls deep into debt at Temple's exclusive casino, she has no choice but to offer Temple a trade that ends in her returning to society and proving to the world what only she knows...that he is no killer. A scandal revealed . . . It's a fine trade, until Temple realizes that the lady—and her past—are more than they seem. It will take every bit of his strength to resist the pull of this mysterious, maddening woman who seems willing to risk everything for honor . . . and to keep from putting himself on the line for love.

New York Times bestselling author Sarah MacLean has taken the world of historical romance fiction by storm! With *A Rogue by Any Other Name*, she once again boldly breaks new ground. The first book in her remarkably fresh and original *Fallen Angels* series—featuring four dark Regency Era heroes who will steal the hearts of their heroines and the readers alike—*A Rogue* will captivate fans of Julia Quinn and Suzanne Enoch while bringing new romance readers eagerly into the fold. The scintillating story of a disgraced Marquess reduced to running a London gambling hall who hopes to restore his good fortune by marrying a very proper lady who's secretly drawn to him, *A Rogue by Any Other Name* is sexy and wicked fun.

New York Times bestselling author Sarah MacLean returns with the much-anticipated final book in her *Bareknuckle Bastards* series, featuring a scoundrel duke and the powerful woman who brings him to his knees. Grace Condry has spent a lifetime running from her past. Betrayed as a child by her only love and raised on the streets, she now hides in plain sight as queen of London's darkest corners. Grace has a sharp mind and a powerful right hook and has never met an enemy she could not best...until the man she once loved returns. Single-minded and ruthless, Ewan, Duke of Marwick, has spent a decade searching for the woman he never stopped loving. A long-ago gamble may have lost her forever, but Ewan will go to any lengths to win Grace back...and make her his duchess. Reconciliation is the last thing Grace desires. Unable to forgive the past, she vows to take her revenge. But revenge requires keeping Ewan close, and soon her enemy seems to be something else altogether—something she can't resist, even as he threatens the world she's built, the life she's claimed...and the heart she swore he'd never steal again.

Can true love die? Or, neglected, does it lie dormant until the object of true desire is again within reach? Denied, does passion smolder, like embers waiting for the right conditions to flare into an all-consuming conflagration? #1 New York Times bestselling author Stephanie Laurens delivers the thrilling conclusion to her acclaimed series, THE ADVENTURERS QUARTET, a passionate Regency-era drama played out on the high seas and in the sweltering heat of tropical jungles, ultimately reaching a scintillating climax in the glittering ballrooms of Mayfair. The eldest of the Frobisher brothers and widely known as the lord of the privateers, Royd Frobisher expects to execute the final leg of the rescue mission his brothers have been pursuing. What he does not expect is to be pressured into taking his emotional nemesis, childhood sweetheart, ex-handfasted bride, and current business partner, Isobel Carmichael, with him. But is it Isobel doing the pressuring, or his own restless unfulfilled psyche? Resolute, determined, and an all but unstoppable force of nature, Isobel has a mission of her own—find her cousin Katherine and bring her safely home. And if, along the way, she can rid herself of the lingering dreams of a life with Royd that still haunt her, well and good. Neither expects the shock that awaits them as they set sail aboard Royd's ship, much less the new horizons that open before them as they call into London, then, armed with the necessary orders and all arrangements in place, embark on a full-scale rescue assault on the mining compound buried in the jungle. Yet even with the support of his brothers and their ladies and, once rescued, all the ex-captives, Royd and Isobel discover that freeing the captives is only half the battle. In order to identify and convict the backers behind the illicit enterprise—and protect the government from catastrophic destabilization—they must return to the ballrooms of the haut ton, and with the help of a small army of supporters, hunt the villains on their home ground. But having found each other again, having glimpsed the heaven that could be theirs again, how much are they willing to risk in the name of duty? Learn the answer and revel in the action, drama, intrigue, and passion as the Frobishers—with help from Wolverstone, the Cynsters, and many familiar others—steer the adventure to a glorious end. Praise for the works of Stephanie Laurens "Stephanie Laurens' heroines are marvelous tributes to Georgette Heyer: feisty and strong." Cathy Kelly "Stephanie Laurens never fails to entertain and charm her readers with vibrant plots, snappy dialogue, and unforgettable characters." Historical Romance Reviews "Stephanie Laurens plays into readers' fantasies like a master and claims their hearts time and again." Romantic Times Magazine
