No Mistakes Resumes: How To Write A Resume That Will Get ...

How to Avoid Resume Mistakes . Reread and edit your resume. At the very least, be sure to read your resume over once before submitting it for an application. However, it is very hard to catch your own mistakes. People tend to see what they intended to type (and not necessarily what's actually on the page). One tip is to read your resume and other application documents from the bottom up (or, from the last page back to the first page).
