In this book, we'll explore Peyton Manning's journey to the NFL, as well as his impact on the game. Here is a preview of what is inside this book: Childhood and Early Life High School Years College Years at University of Tennessee Peyton's NFL Career What Makes Peyton Manning So Great? Peyton's Obsessive Behavior Peyton's Bad Post-Season Luck Will Peyton Manning Play in 2015? Peyton Manning's Legacy An excerpt from the book: While many will claim various quarterbacks as the greatest of all time, no other name comes up more often than Peyton Manning. Simply put, nobody can argue that his record proves this status. He has received five Most Valuable Players in the NFL during the regular season, which is the most received by any player. He also currently holds the most passing yards and total passing touchdowns than any other quarterback in history. He runs a no-huddle offense like nobody else's business. Additionally, he was able to turn around Indianapolis Colts' losing streak only after playing in his second season with the team. All but two NFL seasons, he has been able to successfully make it into the post season and ended up winning a super bowl. Nobody can argue that Peyton is simply the all-time greatest quarterback to wear an NFL jersey. Peyton Manning is acclaimed to harness a passion and competitiveness for the sport of football greater than anyone has ever seen. In fact, many believe that he is compulsively obsessed with winning. Growing up with a father who played professional football as an NFL quarterback with the New Orleans Saints for most of his career, along with having two brothers that were also extremely passionate about football-Peyton was practically bred into the sport. Even at the early age of three, Peyton was already learning how to throw a football. Even his younger brother Eli Manning is a professional quarterback for the New York Giants.

Describes the life and career of Peyton Manning, quarterback for the Indianapolis Colts, who was named Super Bowl MVP in 2007.

The inspiring personal story of a family, an athletic tradition, and fifty years of a great all-American game.

NEW YORK TIMES BESTSELLER • From Lars Anderson comes a revealing portrait of the first family of American sports. What the Kennedys are to politics, the Mannings are to football. Two generations have produced three NFL superstars: Archie Manning, the Ole Miss hero-turned-New Orleans Saint; his son Peyton, widely considered one of the greatest quarterbacks ever to play the game; and Peyton's younger brother, Eli, who won two Super Bowl rings of his own. And the oldest Manning child, Cooper—who was forced to quit playing sports after he was diagnosed at age eighteen with a rare spinal condition—might have been the most talented of them all. In *The Mannings*, longtime *Sports Illustrated* writer Lars Anderson gives us, for the first time, the never-before-told story of this singular athletic dynasty—a story that shows us how finding strength in the face of catastrophe can be the key to success on and off the playing field.

Growing up, the three Manning brothers dream of playing side by side on the gridiron at Ole Miss. But with Cooper forced to the bench before his prime, Peyton must fight to win glory for them both. Meanwhile, Eli is challenged by his college coach to stop trailing in the footsteps of others and forge his own path. With Archie ' s achievements looming over them, the brothers begin the climb to football history. From the Manning family backyard to the bright lights of Super Bowl 50, *The Mannings* is an epic, inspiring saga of a family of tenacious competitors who have transfixed a nation. Praise for *The Mannings* “ Anderson, an accomplished storyteller, writes about the Manning football legacy—warts and all—with style and verve, backed by an abundance of research and scholarship. ” —Publishers Weekly “ An expertly written impressionistic account of the first family of football. ” —Library Journal “ This is one of the most beautifully written and memorable books I ' ve read in years—stunningly spectacular. I couldn ' t put it down. Once again, Lars Anderson has shown why he is one of the seminal sportswriters of this generation. *The Mannings* is an absolute masterpiece. ” —Paul Finebaum, ESPN college football analyst and New York Times bestselling author of *My Conference Can Beat Your Conference* “ Lars Anderson drills to the core of the Manning family. I love this book because it ' s not just about football; it ' s about how to raise a family. ” —Bruce Arians, head coach of the Arizona Cardinals “ Anderson ' s yarn never wobbles. . . . A winner for fans of modern football. ” —Kirkus Reviews “ Anyone who has paid attention to the NFL over the last five decades understands the significance of the Mannings. They are to America ' s best-loved game what the Holbeins are to portraiture, what the Bachs are to classical music, what the Kardashians are to mindless reality television, an unsurpassed dynasty. In *The Mannings*, Lars Anderson delivers an incisive, honest, and thorough chronicle of the first family of football. ” —Jeremy Schaap, New York Times bestselling author of *Triumph: The Untold Story of Jesse Owens and Hitler ' s Olympics*

Peyton Manning is America ' s quarterback. And America loves a great comeback story. Less than two years after Manning was fired from the Indianapolis Colts, he led the Denver Broncos to the Super Bowl and won pro football ' s Most Valuable Player award for the fifth time. In 2013, Manning broke the league record for touchdown passes in a single season, despite a body weakened by multiple neck surgeries that threatened to end his career. Manning did it against all odds, in a manner inspirational to any football fan—or anybody who has ever lost a job and been forced to start over. *Peyton Manning: The Last Rodeo* follows Manning ' s remarkable season with the Broncos on a wild ride to the championship game. Through it all, from the suspension of a star teammate to the heart ailment of his head coach, Manning carried the Broncos and reminded us why he is one of America ' s most beloved role models.
