In the heart of every woman is a longing to be deeply loved and treasured by another. While this is never fulfilled perfectly in our earthly relationships, believers are promised that heaven is a place of eternal joy with Jesus Himself, who has chosen his cherished Bride. In this ten-lesson study, women will grow to understand how human wedding traditions symbolize the ultimate marriage of Christ—the Bridegroom—and His beloved church. Through images of ancient wedding customs as women of the Bible would have celebrated them, the authors point out spiritual significance for today. Contemporary wedding stories further illustrate the promise of eternal life. As a woman prepares herself for the Bridegroom, she begins to discover an intimacy with Him greater than she ever imagined.
