In 19th century Bombay, Captain Jim Agnihotri channels his idol, Sherlock Holmes, in Nev March’s Minotaur Books/Mystery Writers of America First Crime Novel Award-winning debut. In 1892, Bombay is the center of British India. Nearby, Captain Jim Agnihotri lies in Poona military hospital recovering from a skirmish on the wild northern frontier, with little to do but re-read the tales of his idol, Sherlock Holmes, and browse the daily papers. The case that catches Captain Jim’s attention is being called the crime of the century: Two women fell from the busy university’s clock tower in broad daylight. Moved by Adi, the widower of one of the victims — his certainty that his wife and sister did not commit suicide — Captain Jim approaches the Parsee family and is hired to investigate what happened that terrible afternoon. But in a land of divided loyalties, asking questions is dangerous. Captain Jim’s investigation disturbs the shadows that seem to follow the Framji family and triggers an ominous chain of events. And when lively Lady Diana Framji joins the hunt for her sisters’ attackers, Captain Jim’s heart isn’t safe, either. Based on a true story, and set against the vibrant backdrop of colonial India, Nev March’s Minotaur Books/Mystery Writers of America First Crime Novel Award-winning lyrical debut, Murder in Old Bombay, brings this tumultuous historical age to life.

In 1967, Daniel, the son of two convicted spys executed by their own country, ponders his life, his sister’s radicalism, his appreciation for his wife and son, and the hypocrisy of the moralistic ideals upon which this country was based. Reader’s Guide included. Reprint.

In this exceptional debut, one young girl’s determination to save the flock she calls family creates a lasting impact on her community and in her heart. Gorgeous and literary, this is an unforgettable animal story about friendship, family, home, and belonging. For readers who love books by Kate DiCamillo and Katherine Applegate. Ten years ago, an impossible thing happened: a flock of pigeons picked up a human baby who had been abandoned in an empty lot and carried her, bundled in blankets, to their roof. Coo has lived her entire life on the rooftop with the pigeons who saved her. It’s the only home she’s ever known. But then a hungry hawk nearly kills Burr, the pigeon she loves most, and leaves him gravely hurt. Coo must make a perilous trip to the ground for the first time to find Tully, a retired postal worker who occasionally feeds Coo’s flock, and who can heal injured birds. Tully mends Burr’s broken wing and coaxes Coo from her isolated life. Living with Tully, Coo experiences warmth, safety, and human relationships for the first time. But just as Coo is beginning to blossom, she learns the human world is infinitely more complex—and cruel—than she could have imagined. This remarkable debut novel will captivate readers from the very first line. Coo examines the bonds that make us family, the possibilities of love, and the importance of being true to yourself. Fans of Katherine Applegate, Kate DiCamillo, and Barbara O’Connor will devour this extraordinary story. Features black-and-white spot art throughout.

When his spaceship crashes en route to a boring ceremonial appearance, Roger MacClintock, a spoiled young prince, and his guardian Royal Marines must take a perilous trek across a planet filled with dangerous plants and hostile peoples.

The school is thrown into chaos when the 'cat' strikes again. Unfortunately, schoolgirl Julia Upjohn knows too much. In particular, she knows that without Hercule Poirot's help, she will be the next victim...

“Transforms a familiar refrain of jilted love into a bold, sustaining time of self-knowledge and discovery. Its rhythms are infectious.” —People In the winter of 1926, when everybody everywhere sees nothing but good things ahead, Joe Trace, middle-aged door-to-door salesman of Cleopatra beauty products, shoots his teenage lover to death. At the funeral, Joe’s wife, Violet, attacks the girl’s corpse. This passionate, profound story of love and obsession brings us back and forth in time, as a narrative is assembled from the emotions, hopes, fears, and deep realities of black urban life. “The author conjures up worlds with complete authority and makes no secret of her angst at the injustices dealt to black women.” —The New York Times Book Review

This book is a cultural-historical (rather than purely linguistic) introduction to American English. The first part consists of a general account of variation in American English. It offers concise but comprehensive coverage of such topics as the history of American English; regional, social and ethnic variation; variation in style (including slang); and British and American differences. The second part of the book puts forward an account of how American English has developed into a dominant variety of the English language. It focuses on the ways in which intellectual traditions such as puritanism and republicanism, in shaping the American world view, have also contributed to the distinctiveness of American English.
