Place to Space : Migrating to Ebusiness Models 01 edition ...

Place to Space, by Peter Weill and Michael Vitale, is an accessible entry point for old-economy senior managers who know e-business is in their future but are not quite sure how to best tackle this brave new world. Weill, director of the Center for Information Systems Research at the MIT Sloan School, and Vitale, dean and director of the Australian Graduate School of Management, identify and examine eight "atomic e-business models" (looking into everything from strategic objectives and IT ...
