People sometimes say that life doesn't come with a manual. But as you are about to discover, that is not necessarily true. Your decisive guide to personal development and marital bliss has arrived! Mordechai and Esther Fintz, authors of the popular books, *What Makes Our Life a Success* and the TLC series, present their insightful all-in-one handbook that features comprehensive ways to conduct your journey to personal and marital happiness, peace, and success. The authors demonstrate that only when you engage in self-improvement, your ultimate goal of leading a fulfilling life with your soulmate and family lies within reach. The book also offers valuable techniques for realizing your dreams, planning your wedding and honeymoon, and cultivating habits that will help you sustain a rock-solid romantic and marital relationship and overall family experience. Decades of happily married life have given the authors unique perspectives on the above topics, which they incorporate into their everyday lives and seek to share with their wide readership. Dive into the book's pages and discover your personal and marital happiness. Read the offered wisdom repeatedly and adapt each lesson to your vision and lifestyle. The book will forever change you and your outlook on yourself, your soulmate, and life in general.

You're a faithful, Bible-believing Christian man. Years ago you felt a calling from God to marry and start a family, and you wed a bright, beautiful, loving, Godly woman to share your life with. What could go wrong? Plenty. Today your wife consistently treats you with derision and angrily contends with you over the smallest issues, then laments that you are emotionally distant and apathetic when you pull away. You've read all of the relationship books and done marriage counseling/pastoral counseling. You may have even engaged in a trial separation or two. Nothing has helped. You have not abandoned your wife, nor she you, and neither of you has committed adultery as of yet, so you don't consider divorce a viable option (although family and friends might be encouraging you to do it). You want to honor and obey God, however, by remaining in the marriage. But the temptations to end the struggle and emotional pain are strong. You are about ready to give up. Before you do, buy this book. For about the price of tall cup of an upscale premium cappuccino or café latté, you'll have a resource that might change your perceptions, expectations, and approaches with regard to your wife and the relationship you share. *Your Snake Has STRIPES! A Practical Guide for Marital Bliss With An Angry & Contentious Woman* is a concise, wry and irreverent self-help book for Christian husbands in emotionally difficult relationships with wives who are predisposed to anger, defensiveness, and

conflict issues. Using the Appalachian expression "meaner than a striped snake" as the foundation of his central metaphor, author Edward X. Winston offers consolation to husbands of angry and contentious women and a healthy new way of reframing a man's interpretations of such behaviors.

You probably did not think that marriage needed to be worked on for happiness to prevail. In EXTRAordinary marriage, you'll find articles with practical tips to help your marital challenges and encourage you to mature from mere feelings of love to loving by decision. The searchlight beams on; celebrating your differences, understanding the differences between men and women, steps to marital bliss, sexual compatibility, give love-get submission, building self-confidence, parenting skills and taking responsibility for your happiness. When you aim at relating with your spouse according to their dynamic and unique nature; making an extra effort to express love would be a lot easier. This book has been written in an-easy-to-read format where every single unit is a complete lesson on its own. Reading it cover-to-cover will definitely provide answers to some of those questions you feel embarrassed to ask.

Although The Total Man is a humorous, yet practical parody of marital self-help guides, readers can still come to a better understanding of why marriages stagnate, and what it will take to build a better relationship. The book is also cathartic for women who have been led to believe that successful relationships depend on their ability to change by repeatedly pointing out how ridiculous this notion is.

A practical guide to having a great marriage written by a marriage counselor.

If you want to solve ALL your major sex problems and challenges...radically improve your sexual PERFORMANCE and enjoyment... (Page 131) \*The last part of the book reveals a 7-Day Sex Challenge -- especially for couples in a "sexless marriage", or couples suffering from low libido -- and could go for weeks (or even months) without sex! And so much more! You see, it takes more than sex to build a great marriage, but it is almost impossible to build a great marriage without it. We can no longer deny it. It is now clear to us from reliable statistics and personal stories that sexual satisfaction is extremely important for marital satisfaction. A significant number of divorces are

due to sex-related issues. Husbands display poor sexual performance. Wives experience poor sexual satisfaction. Dissatisfaction. Disrespect. Divorce. Infidelity. And other problems arise from the bedroom (unknown to many!) A thriving marriage and family is the backbone of any productive society. God's purpose on Earth depends on healthy and happy families. Sex education in contemporary time is grossly inadequate. We can't keep quiet any longer. Based on the writer's wealth of knowledge and experience as a medical doctor, scientific researcher, sex therapist, and husband, *Sexual Mastery* uses a proven, step-by-step scientific method and system to address major sexual problems and questions couples face with the goal of taking couples from being poor (and average) lovers to extraordinary lovers! This book is raw, practical, easy-to-understand and straight-to-the point (without being obscene and pornographic).

The multitude of pressures that lead relationships between couples from their starting point of love, passion, respect, and hope to apathy, complacency, repetitiveness, and discouragement are often allowed to take hold, rendering the outlook for many relationships bleak. Women spend millions to find solutions -- in books and therapy. The hunt is for the approach that will solve their marital problems -- or at least "fix" their spouse. Written by a man and for men, *It's All About Her* speaks to everyday problem-solving and relationship-improving in practical, playful, and more than occasionally profound ways. Is it the last word on interpersonal relationships? No. A new interpretation of the planetary origins of the male and female psyches? Absolutely not. A simple, easy-to-read set of suggestions that any guy can try to enhance the fun, respect, excitement, and love in his marriage? Yes! Delivered in a straightforward, witty, and thought-provoking style, *It's All About Her* is designed to spur actions and insights that work in the real world. It provides dozens of how-to's for everything from giving gifts and sharing a bathroom to entertaining, teaming on the career front, and even attending the kids' sporting events. Some are about fun, some romance, some respect but all enhance the relationship - and recall the basics that often fall by the wayside in long-term, side-by-side living.

"My husband and I can't seem to agree on anything!" "You spent how much!?" "My wife's parents are driving me crazy!" "You never listen to me!" Let's face it—even the best of marriages hit an occasional bump in the road now and then. The secret to marital bliss lies in how you and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man "who wrote the book" on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come.

**FREE LIMITED TIME BONUS INSIDE: THE HAPPY MARRIAGE STARTER KIT** Are you longing for more affection and excitement in your marriage but don't know where to start? Do you and your spouse share the same bed but lay what feels like miles apart? Are you tired of the monotony, the dull conversations, the absence of romance and lack of intimacy? Are you tired of arguing over the same old problems and never really coming to any sort of conclusions? What if I told you there were real, solid solutions to your problems, not just trivial, wishy-washy advice from just another how-to guide? What if romance, passion, and emotional connectedness could be a reality instead of just another daydream? And what if it all was right at your fingertips...right now? Would you take it? If you answered YES to any of the questions
