Names we will never know, Voices we have not heard,

Prayer for the Dead - Catholic Prayer for the Dead

This Prayer for the Dead (sometimes titled A Prayer for the Deceased) is traditionally attributed to Saint Ignatius of Antioch. Ignatius, the third bishop of Antioch in Syria (Saint Peter was the first bishop) and a disciple of Saint John the Evangelist, was martyred in the Colosseum in Rome by being fed to wild beasts. On his way to Rome from Syria, Saint Ignatius witnessed to the Gospel of Christ in preaching, epistles to Christian communities (including a famous Letter to the Romans and ...

A Prayer for the Dead (by Saint Ignatius of Antioch)

El Maleh Rachamim is the actual Jewish prayer for the dead, although less well known than the Mourner's Kaddish. While the Kaddish does not mention death but rather affirms the steadfast faith of the mourners in God's goodness, El Maleh Rachamim is a prayer for the rest of the departed.

In this book, Megan McLaughlin explores the social and cultural significance of prayer for the dead in the West Frankish realm from the late eighth century through the end of the eleventh century. She argues that the primary function of funerary and commemorative rituals in the early middle ages was to sustain the dead as members of the Christian community on earth, and to link them symbolically with the community of saints in heaven.

An FBI agent quits retirement to hunt a methodical serial killer with a passion for human blood. The man comes to slowly, feeling caught in a spider's web. His arms and legs are secured, his mouth is taped shut, and the drugs are keeping him docile. When his captor returns, the man does not even scream. Roger Dyce removes the container of blood he has been draining from his prisoner, brushes the man's hair, and prepares to indulge in make-believe. Once his prisoner is dressed exactly like his dead grandfather, Roger Dyce can eat. Only the man's breathing spoils the effect, but soon the breathing will stop. Fifteen men have gone missing from this small Connecticut town, and only John Becker can bring them justice. An FBI agent who retired out of fear that he was too sympathetic towards criminals, he will push himself to the brink to stop Dyce's sadistic game.

Throughout history Christians have prayed for the dead--both for continual growth of the faithful and for their advancement from purgatory, though not for the deliverance of the unsaved from hell. This book defends all three kinds of prayer. It challenges Protestants, who seldom pray for the dead, to begin doing so--and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church. He also discusses the logical assumptions prayer for the dead requires--that prayer is effective, that the dead are conscious, and that the afterlife involves change--and lays out a theological framework for such prayers. Prayer for the departed raises the most basic of theological questions, matters that go to the center of God's purpose in creating spiritual beings and redeeming sinful humankind. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

The brutal murder of Dr. Azor Sparks in an alley behind a restaurant is greeted with public outrage and a demand for swift, sure justice. But the investigation into the well-known surgeon's death is raising too many questions and providing too few answers for homicide detective Lieutenant Peter Decker. Why, for example, would the family of a man so beloved respond to his slaying with more surprise than grief? And what linked a celebrated doctor with strict fundamentalist beliefs to a gang of outlaw bikers? But the most unsettling connection of all is the one that ties the tormented Sparks family to Peter Decker's own -- and the secrets shared by a renegade Catholic priest...and Decker's wife, Rina Lazarus.

When celebrated heart surgeon Dr. Azor Sparks is brutally murdered, the suspects include the doctor's six children, a jealous colleague, and a gang of biker buddies, and it is up to Lieutenant Peter Decker to sort out the truth.

Throughout history Christians have prayed for the dead. This book challenges Protestants, who seldom pray for the dead, to begin doing so, and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. Gould discusses the meaning of prayer for final consummation of all things, growth of the blessed in heaven, purification of the imperfect in purgatory, and salvation of the unsaved in hell--identifying the necessary conception of the afterlife required by each particular prayer. He also reflects on the spiritual value of prayer for the departed--how it enhances faith, builds hope, and sharpens discipleship--and provides some sample prayers for public liturgy and private devotion. In essence, Practicing Prayer for the Dead offers an outline of theology from the perspective of death, arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

Throughout history, Christians have prayed for the dead - both for continual growth of the faithful and for their advancement from purgatory, and sometimes, even, for the deliverance of the unsaved from hell. Understanding Prayer for the Dead defends all three kinds of prayer. It challenges Protestants, who seldom pray for the dead, to begin doing so - and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. James B. Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church. He also discusses the logical assumptions prayer for the dead requires -

that prayer is effective, that the dead are conscious, and that the afterlife involves change - and lays out a theological framework for such prayers. Prayer for the departed raises the most basic of theological questions, matters that go to the centre of God's purpose in creating spiritual beings and redeeming sinful humankind. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

Brother Francis O'Neil has spent much of his twenty-first century life studying the work of his monastic founders, Jane de Chantal and Francis de Sales. By profession, he is a clinical psychologist and doctor of Chinese medicine, on top of his fascination with the two sixteenth-century religious figures. It is during one of his many academic and charitable trips to China, far from his home and life in Pennsylvania, when the unthinkable happens. Four-hundred-year-old ancient parchments have mysteriously come into his hands. An avid researcher and historian, O'Neil knows these parchments are special, but on closer inspection, he realizes they are much more than special: they may be the authentic texts, penned years before by de Chantal and de Sales. With his new acquisition, O'Neil also receives a strong feeling of foreboding that transcends time. Something happened to de Chantal and de Sales. They were involved in an ancient mystery, as yet unsolved. Perhaps, O'Neil who knows their work so well will unravel the mystery of his spiritual mother and father. He's good at solving puzzles, but how good is he at staying alive, as the parchments seem to bring danger to his doorstep? Will the ancient pages end in murder abroad? Or will the danger follow him back home to Pennsylvania?

The editor of St. Anthony Messenger magazine for many years, Fr. Pat McCloskey has answered many questions in his "Ask a Franciscan" column. Now, he has mined that wealth of material to find the most helpful questions and answers for readers to help them see the connection between their faith and their spiritual growth as disciples of Jesus Christ. Questions are grouped in categories relating to our relationship with God and the Trinity, his mother, Mary, sacraments, Scripture, prayer, morality, forgiveness and redemption and much more.
