A number of radical Puritan groups appeared, including the Levelers, the Diggers, the Fifth Monarchy Men, and the Quakers (the only one of lasting significance). After Cromwell's death in 1658, conservative Puritans supported the restoration of King Charles II and a modified episcopal polity.

Puritanism | Definition, History, Beliefs, & Facts ...

Religious freedom is a fundamental principle of American life. While taken for granted today, its acceptance emerged only gradually in the nation's history. The many peoples who called early America home represented a great variety of spiritual traditions. Although most colonies had established churches that received state support, the framers of the Constitution and its Bill of Rights determined that the nation as a whole should not follow this precedent, but protect the free exercise of ...
