This dictionary covers a wide range of vocabulary - over 1,000 words and phrases. Its definitions are written within a defining vocabulary of 1600 words in order to be easy to understand, and the usage notes are based on the evidence of students' writing from the Longman Learners' Corpus, allowing Longman lexicographers to identify the needs of students at this level. The dictionary is also fully illustrated and contains a full guide to using the dictionary, so that young learners can make the most of its features.

The 4th edition of the Collins COBUILD Intermediate Learner's Dictionary has been revised and updated to include detailed coverage of today's English in a clear, attractive format. Ideal for intermediate level learners of English, and with full sentence definitions written in simple, natural English, this dictionary is easy to use and understand. Thousands of updated examples, taken from the 4.5 billion word Collins Corpus, show learners how the words are used in authentic contexts. This dictionary covers all the essential words, phrases and idioms that students at this level need to learn and provides help with grammar and usage. Additional information is provided throughout the dictionary to help learners improve their fluency and confidence in using English. Informative and relevant vocabulary panels show how words are used in a range of everyday contexts. In addition, this dictionary offers learners guidance on how to communicate effectively in English. The Language in Use supplement provides a wealth of invaluable information on how to write and speak English for different purposes using the appropriate language, style and tone. Resources and activities to help learners make the most of the dictionary are available for free online. The Collins COBUILD Intermediate Learner's Dictionary provides invaluable guidance on the English language, and is the complete reference tool for learners of English.
