Three intrepid princesses find themselves targets in a deadly plot against the crown—until their uncle devises a brilliant plan to keep them safe... England, 1888. Quiet and scholarly Princess Emilie has always avoided adventure, until she's forced to disguise herself as a tutor in the household of the imposing Duke of Ashland, a former soldier disfigured in battle and abandoned by his wife. When chance draws her into a secret liaison with the duke, Emilie can't resist the opportunity to learn what lies behind his forbidding mask, and find out what adventure really means... The duke never imagines that his son's tutor and his mysterious golden-haired beauty are one and the same. But when the true identity of his lover is laid bare, Ashland must face the demons in his past in order to safeguard both his lady—and his heart.

Travel to the Regency era with a New York Times bestselling author's novel of "irresistible romance," in which a woman looking to recover a stolen painting accidentally kidnaps a duke instead (Eloisa James). Chloe Wynchester is completely forgettable—a curse that gives her the ability to blend into any crowd. When the only father she's ever known makes a dying wish for his adopted family of orphans to recover a missing painting, she's the first one her siblings turn to for stealing it back. No one expects that in doing so, she'll also abduct a handsome duke. Lawrence Gosling, the Duke of Faircliffe, is tortured by his father's mistakes. To repair his estate's ruined reputation, he must wed a highborn heiress. Yet when he finds himself in a carriage being driven hell-for-leather down the cobblestone streets of London by a beautiful woman who refuses to heed his commands, he fears his heart is hers. But how can he sacrifice his family's legacy to follow true love? "Erica Ridley is a delight!" —Julia Quinn, New York Times bestselling author of the Bridgerton series

From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince—while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society—just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm—at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

Miss Abigail Harewood, who is determined to reject stifling convention and take a lover, sets her sights on the Duke of Wallingford, who is dissatisfied with his life of debauchery and has resolved to remain chaste for a year.

A star-crossed lovers, opposites attract, feel good romance from a New York Times and USA Today bestselling author: Rumor has it, charming adventurer Christopher Pringle is finally ready to settle down. He's searching for a free-spirited bride to join him on his travels. But when the matchmaker he hires turns out to be the woman he had a public spat with the day before, nothing goes as planned! Miss Gloria Godwin loves exploring the world... from the safety of a book. She detests her dashing client's attempts to force her from her comfort zone. It should be easy to marry off the handsome heir to a dukedom. But the more she tries to match him to other women, the harder it gets to say goodbye... The 12 Dukes of Christmas is a series of heartwarming Regency romps nestled in a picturesque snow-covered village. Twelve delightful romances... and plenty of delicious dukes!
