REVIEW ON THE DHANDHO INVESTOR The Dhandho Investor The Lowrisk

this book is great book on fundamental analysis. the author isn't dry and gives great examples on how to make low risk/high uncertainty investments. if you are
looking to start investing, there is nothing worse than investing in a high risk/high uncertainty investmment - as they usually result in losses. dhando investing
comes from the school of buffett and value investing whereby you invest in low risk/high uncertainty stocks. i definitely reccomend this book...
