When conman Captain Jack Harkness planted a Chula ambulance in 1941 London, the Chula nanogenes, who had never previously encountered humans, infected a dying human boy named Jamie caught in the London Blitz. Assuming that the gas mask he was wearing was part of his face, they "healed" him, and unintentionally created the "Empty Child," a "zombie " based on Jamie's characteristics and injuries at death.

From USA TODAY Bestselling Author John Ellsworth it was just a quick sandwich in the hospital cafeteria...But when she returned to her daughter's room...Whatever happened to Melissa's daughter is anyone's guess. The police seal the hospital doors; a search proceeds but the four-year-old is nowhere to be found The girl is gone, vanished without a ransom note, without a body being found, without a trace. The detectives believe she has most likely been sold into human trafficking. No matter, Melissa is determined. She is also very, very bright, a woman who refuses to give up, a woman who knows what motherhood means. She journeys to Mexico in search of her missing child. She confronts the Tijuana Cartel. Do they have her daughter? Twelve years have passed by and she no longer has any idea what the little girl even looks like. Then...two unmistakable eyes peer out at her from a passing van. But was it Melissa's daughter? Watch one desperate woman and one lost child try to reach across time and connect. A story to please you to the very end.A psychological thriller you'll want to read in one sitting...
