Untraceable (Untouchable Book 3) ... Lindsay Delagair created a very powerful and intense romance that tested the limits of faith, love and forgiveness. Maybe to some this type of love doesn't exist or seems just too fictional. But great love opens doors to great sacrifice and for finding forgiveness even in the bleakest of places.

When her pure and innocent heart is offered to him, will this cold and empty hitman fall, or will he remain untouchable?

Cass Henley is a hard-edged business woman with a scarred and painful past. She sees men simply as a way to take care of physical needs, and nothing more. When her company wins the bid to survey a large portion of the UK, she discovers a massive hill in southern Scotland where her knowledge tells her there should only be flat land. She is determined to explore the oddity alone, until AJ, a handsome National Geographic's writer, asks to join her team. When her bitchy attitude doesn't dissuade him, she finally agrees. Together they discover a buried castle along with scrolls that tell of the fall of a once great Kingdom. As the startling story of Kingdom Hill unfolds, Cass realizes, for the first time in her life, she is falling in love. But, when AJ reveals something that has ended every romantic relationship he's ever had, will she be like all the rest?

Annalisa believes she finally has a chance to share forever with Micah, but her fear that something will destroy their happiness grows stronger every day. He changed everything to be with her, leaving his horrible past far behind as they begin to see a bright and beautiful future together. Finding the stone My Dearest Katherine, I know from time to time you will doubt the beauty, strength and courage that lies within you, but always know it is there. Just like the stone you held in your hand was once covered by the ugliness of the world, see it now for what it truly is. Love for always, Uncle Patty "Thank you, Uncle Patty," she whispered, "I'll remember, I'll always remember.

One of the most dazzling and adventurous writers now working in English takes on the enigma of the Cambridge spies in a novel of exquisite menace, biting social comedy, and vertiginous moral complexity. The narrator is the elderly Victor Maskell, formerly of British intelligence, for many years art expert to the Queen. Now he has been unmasked as a Russian agent and subjected to a disgrace that is almost a kind of death. But at whose instigation? As Maskell retraces his tortuous path from his recruitment at Cambridge to the airless upper regions of the establishment, we discover a figure of manifold doubleness: Irishman and Englishman; husband, father, and lover of men; betrayer and dupe. Beautifully written, filled with convincing fictional portraits of Maskell's co-conspirators, and vibrant with the mysteries of loyalty and identity, The Untouchable places John Banville in the select company of both Conrad and le Carre. Winner of the Lanman Literary Award for Fiction "Contemporary fiction gets no better than this... Banville's books teem with life and humor." - Patrick McGrath, The New York Times Book Review "Victor Maskell is one of the great characters in recent fiction... The Untouchable is the best work of art in any medium on [its] subject." -Washington Post Book World "As remarkable a literary voice as any to come out of Ireland; Joyce and Beckett notwithstanding." -San Francisco Chronicle

Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret, something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger.

Ambitious Suzy has her life planned out, but everything changes when she meets tattooed bad boy City. Could their one-night stand ever turn into the real thing?

How could anyone move on from a betrayal so devastating, it cut down to the bone and rooted itself deep within? You could never forgive such heartache... Or could you?From the moment Tyler was six, she fell in love with that cocky eight-year-old boy with the black spiky hair, captivating blues eyes, and scruffy uniform. From the moment he punched a boy for hurting her, Tyler knew there was no going back. They were always meant to be together...Always. Then everything changed. The stage was set like a tragic Shakespearean play, and Tyler's and Dean's world--as they knew it--had ended.Or had it?TylerMy name was Jessica now. I faked my own death, changed my identity, and moved thousands of miles across the ocean just to escape the one man I would never get out of my heart. I had a four-year-old son I adored more than anything in the world. On one fateful, horrific night, the life I knew disappeared in the blink of an eye. I left people behind. People I cared about. People I would never forget. People I loved.But had I truly moved on?No one said leaving behind the one man you had loved since you were six would be easy. I lived life day-to-day. I even met a man and tried to settle down. Evan was a man any woman would desire. So why could I not love him the way he obviously loved me? Why couldn't I move past the dark-haired, blue-eyed boy who consumed my every thought? I may have left him, but he had never truly left me.I could never love another man. Dean made sure of that the day he breezed into my life. I was only half a woman now. I had been broken and bruised by the one man I thought I could always love and trust. How could I let go of something like that? I suppose I just had to. I was just getting by with each day that passed. I was coping. I was managing, and that was keeping me from falling apart.But then disaster struck again. And it was on that day...Everything changed.DeanYou can't hide forever. Tyler. I will always be hunting you, always be searching, and will never give up. If there was ever one certainty in your life, it was that. You slipped through my fingers, not once but twice. You took my heart with you when you left me that day. No amount of alcohol, women, or punching bags would block you from my mind. You couldn't be dead. I wouldn't allow you to be dead. You're out there somewhere. I must congratulate you that you had evaded me for this long. You always were a smart girl. How could I not have fallen in love with you? You did escape me this time, but I will find you, Tyler. I promise you that. And when that day comes...I will finally make you MINE.

In the midst of organized crime and dim hopes of redemption, can love persevere? For Sophie Taylor, a psychologist who lost everything when she violated an ethical boundary, and Grant Madsen, a naval officer who sacrificed himself to protect his uncle, finding that love seems unlikely. As they start their lives over in Chicago, both fight family influences and run as fast as they can to escape the past. When their paths cross outside their parole officer's door, attraction sparks. Too bad a hidden connection may not only shatter their fledgling love, but prove deadly to them both. Re-Release in 2017!
