Valence; Confluence, Book 4 By: Jennifer Foehner Wells Narrated by: Susanna Burney ... Remanence is book 2 of Jennifer Foehner Wells' Confluence series. Jane has defied NASA and attempted to return the alien spacecraft with the one surviving alien back to its "home" system" only to find that the other alien race that employed the squid-like ...

Remanence by Jennifer Foehner Wells | Audiobook | Audible.com

The plot feels a bit generic, but not many science fiction stories give readers the sense of exploration that Valence does. 2017 Book 4 Confluence Jennifer Foehner Wells Valence The Fires of Hell (Galaxy on Fire Book 4) by Craig Robertson

Valence (Confluence Book 4) by Jennifer Foehner Wells

I was enjoying book 4 but had to go back and re read book 3 before continuing on page 323 A lot of new technology and biology is both intriguing and plausibly feasible, related as part of the multiple sub plots, all related to saving earth, that, to me, was fascinating. I do look forward to more adventures from these characters.

Tributaries by The Book Review Directory. Book three of the American River Trilogy begins with the three families—the McPhalans, the Morales, and the Ashidas—in turmoil. Following Owen McPhalan's death, his daughter Kate has inherited Mockingbird Valley Ranch only to discover that the once profitable family business is no longer sustainable.

Earth's days are numbered. Two very different women race to prepare for the battle to come. The future of Earth is in their hands. One struggles to resurrect her ruined ship so she can navigate the politics at the galactic core in a desperate bid to recruit allies.

Confluence Series by Jennifer Foehner Wells

It shows, as there is almost no linkage between this book and books 1, 2 and 4. If you liked the first two, you could skip to Valence (4) with little lost. This book is a bit slow, with nearly all action coming at the end. The plot skews from unlikely to silly, but I never found myself wanting to put it down.
