In the new Perfect Proposals mystery from the author of Bodice of Evidence and Engaged in Murder, a country club wedding reception becomes the scene of a baffling crime. The wedding for Pepper Pomeroy's sister Felicity starts with dearly beloved but it ends with dearly departed when Ashley, the bartender Pepper befriended earlier in the evening, drops dead from a lethal nightcap. Authorities think it's just a tragic accident. After all, who'd want to kill a virtual stranger at a country club wedding reception? That's what Pepper wants to know. A search into Ashley's past reveals a twisty path of secret sororities, well-connected enemies, and an unsolved slaying still shadowing members of high society—including a filthy-rich battle-ax whose demands for the services of Pepper's Perfect Proposals are starting to sound more like veiled threats. Pepper's business may be booming but continued success means outsmarting a mysterious culprit who's still wedded to the idea of murder.

Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, Remodelista has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think Design Within Reach meets Ikea). Remodelista decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; "The Remodelista 100," a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, Remodelista takes the guesswork out of the process.
