transformed over the years. Readers are pointed to distinctive architecture, landmark buildings, popular eateries, ethnic enclaves, celebrity residences, art and performance spaces, and natural scenery. There are tours that reveal forgotten moments in Queens history, or position you for a stunning view, or immerse you in all the sights, scents, and sounds of a melting pot. Maps and transportation directions make it easy to find your way. Whether you're looking for an afternoon stroll or a daylong outing, grab this book and start walking Queens!

Walking Brooklyn by Adrienne Onofri is an exceptional guide to and through Brooklyn's most interesting and notable neighborhoods, providing a mix of information about culture, history, architecture, places to eat, venues to visit, and more.

The guide that shows you the best of Brooklyn. Brooklyn is comprised of dozens of vibrant neighborhoods, each with its own distinctive quality and history. But for most people, New York City is synonymous with Manhattan, and until recently few visitors have ventured beyond the famous Brooklyn Bridge to explore the city's largest borough. With Walking Brooklyn, Adrienne Onofri has created an exceptional guide to and through Brooklyn's most interesting and notable neighborhoods,

providing a mix of information about culture, history, architecture, places to eat, venues to visit, and more. From a walk through the Russian-influenced Brighton Beach, to the expansive Prospect Park, and out to Red Hook, Walking Brooklyn reveals the many layers and sites of Manhattan's lesser-known neighbor. This fully updated book now comes in color and features notable buildings/sights/attractions that are new, revived or relocated, like Barclays Center, Prospect Park's Lakeside LeFrak Center, City Point, the Navy Yard, St. Ann's Warehouse, Brooklyn Bridge Park and other places along the waterfront. In addition, some chapters feature new routes within neighborhoods. The book also has a clear neighborhood map for each walk, photographs, and critical public transportation information for every trip. Route summaries make each walk easy to follow, and a "Points of Interest" section outlines each walk's highlights. The 30 walks include trivia about architecture, local culture, and borough history, plus tips on where to dine, have a drink, and shop.

Explore the neighborhoods of Brooklyn through twenty-two self-guided walking tours, each beginning near a subway station, and featuring step-by-step directions, a detailed map, and information on local lore.

Everyone knows New York City is the culinary epicenter of the United States. And while Manhattan gets Michelin stars and Brooklyn gets blogger hype, real culinary fanatics know that authentic ethnic food

Where To Download Walking Queens 30 Tours For Discovering The Diverse Communities Historic Places And Natural Treasures

Of New York City's largest Borough experiences happen in the restaurants of Queens. There, New York's celebrated ethnic diversity is the most potent, with more than one million foreign-born residents. This means food lovers can travel the globe without using any vacation time: take a culinary tour of China, sip a frappe in Greece, dine on authentic Italian sausage—all without ever leaving Queens! Queens: A Culinary Passport welcomes visitors to the borough, serving as your guide to more than 40 hand-picked ethnic restaurants and food stands, complete with chef profiles and recipes for recreating signature dishes at home. Also included are highlights of not-to-be-missed hidden spots, like ethnic grocery stores stocked with multicultural essentials, fresh-from-the-sea fish markets, and delis that turn out freshly made mozzarella and sopressata. For Queens novices, the book includes easy-to-follow subway directions and even detailed neighborhood walking tours, ensuring that your next trip to Italy, India, Greece, Latin America, and China is only a borough away.

Walking Manhattan by Ellen Levitt is written with many people in mind: the tourists who have never before visited Manhattan as well as those returning to the Big Apple; the residents who want to ramble through parts of Gotham with which they are less familiar; the “I’ve seen it all” New Yorker who is willing to consult a new source and find “new” sights and sounds that interest them. Readers can pick and choose how

Where To Download Walking Queens 30 Tours For Discovering The Diverse Communities Historic Places And Natural Treasures

and where they investigate Manhattan by consulting this new guide. This guidebook will help readers to appreciate more fully the author's selection of unique things to see and experience throughout Manhattan. It points out the many beautiful and intriguing sights; the history to be learned; the joyful as well as sad aspects of Manhattan life throughout the years. Landmarks and parks, schools and eateries, art and sport, big and bold sites as well as modest and small; Walking Manhattan can introduce you to them all.

This is the ultimate guide to Jack Kerouac's New York, packed with photos from the '50s and '60s, and filled with information and anecdotes about the people and places that made history.

The 250th anniversary of the founding of Rutgers University is a perfect moment for the Rutgers community to reconcile its past, and acknowledge its role in the enslavement and debasement of African Americans and the disfranchisement and elimination of Native American people and culture. Scarlet and Black documents the history of Rutgers's connection to slavery, which was neither casual nor accidental—nor unusual. Like most early American colleges, Rutgers depended on slaves to build its campuses and serve its students and faculty; it depended on the sale of black people to fund its very

Where To Download Walking Queens 30 Tours For Discovering The Diverse Communities Historic Places And Natural Treasures

existence. Men like John Henry Livingston, (Rutgers president from 1810-1824), the Reverend Philip Milledoler, (president of Rutgers from 1824-1840), Henry Rutgers, (trustee after whom the college is named), and Theodore Frelinghuysen, (Rutgers's seventh president), were among the most ardent anti-abolitionists in the mid-Atlantic. Scarlet and black are the colors Rutgers University uses to represent itself to the nation and world. They are the colors the athletes compete in, the graduates and administrators wear on celebratory occasions, and the colors that distinguish Rutgers from every other university in the United States. This book, however, uses these colors to signify something else: the blood that was spilled on the banks of the Raritan River by those dispossessed of their land and the bodies that labored unpaid and in bondage so that Rutgers could be built and sustained. The contributors to this volume offer this history as a usable one—not to tear down or weaken this very renowned, robust, and growing institution—but to strengthen it and help direct its course for the future. The work of the Committee on Enslaved and Disenfranchised Population in Rutgers History. Visit the project's website at <http://scarletandblack.rutgers.edu>

Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions

Where To Download Walking Queens 30 Tours For Discovering The Diverse Communities Historic Places And Natural Treasures

throughout the five boroughs. The only problem is figuring out where to start—and that's where the city's tour guides come in. These guides are a vital part of New York's raucous sidewalk culture, and, as *The Tour Guide* reveals, the tours they offer are as fascinatingly diverse—and eccentric—as the city itself. Visitors can take tours that cover Manhattan before the arrival of European settlers, the nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of Harlem, or even the surveillance cameras of Chelsea—in short, there are tours to satisfy anyone's curiosity about the city's past or present. And the guides are as intriguing as the subjects, we learn, as Jonathan R. Wynn explores the lives of the people behind the tours, introducing us to office workers looking for a diversion from their desk jobs, unemployed actors honing their vocal skills, and struggling retirees searching for a second calling. Matching years of research with his own experiences as a guide, Wynn also lays bare the grueling process of acquiring an official license and offers a how-to guide to designing and leading a tour. Touching on the long history of tour-giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9/11, *The Tour Guide* is as informative and insightful as the chatty, charming, and colorful characters at its heart.
